Australian or European markets until now that is The recipes are aimed not at the kitchen gurus or the Ninja experts rather to the proud new owners of the Foodi I've written the methods out in such a way that no steps are missed out I don't use confusing terminology or abbreviations and use my words very carefully The methods are written for someone who has not had their device for a long time I only include ingredients that are available to buy from UK supermarkets and every single ingredient has been checked via the Asda and Tesco websites often in store at Aldi too to ensure easy sourcing The recipes are written logically such that they start usually with the preparation steps namely what needs to be washed peeled and chopped before any heat is applied to the ingredients When I need you to boil a kettle I will tell you five minutes before you need boiling water in the recipe Recipes include Spicy chicken casserole Sweet and sour chicken Cottage Shepherd's pie Thai green chicken curry Beef curry Irish beef stew Full English breakfast Vegetarian Asian noodles with lemongrass Lancashire veggie hotpot Toad in the hole with gravy Cheese chive scones Fruit scones Marble cake Carrot cake Leek potato soup Sweet potato onion soup and so many more Since the device is so versatile BUT is just one device recipes are split between main courses main course components side dishes soups and desserts meaning that access to a kitchen is required for many of the recipes The Author assumes that the user has access to basic kitchen equipment such as a refrigerator a sieve or colander sharp knives a stove a baking tin a frying pan and saucepans although many of the recipes do not require any further equipment Many of the recipes found within will be more familiar to the user of this cookbook but they have been tweaked or reimagined so that they fit to the Ninja Foodi 7 in1 multi cooker and many recipes will be completely new Many recipes also include full colour photographs but not every recipe due to space and page count limitations which keep the price of this book down An index of ingredients is also at the end of the book making it easier to locate recipes based on what's in your refrigerator This book is available in printed formats a colour version with the green cover and a black and white version with a brown cover While the books are identical in terms of content some users would rather pay more for colour photographs whereas for other users the price is more important I hope you get as much joy from this book as I did putting it together well and eating the creations If you can spare a few minutes please write a short review so that others know what you like or dislike about the book [Ninja Foodi Cookbook For Beginners \(Multi-Cooker\)](#) Mary Maddison, 2020-02-02
