

There is some degree of debate about their exact origins. In the 1600s, Dutch settlers ate *oliekoeken* in North America, which translates to "oil cake". These cakes were fried as modern doughnuts are.

Another theory about the origin of doughnuts holds that in 1847, an American named Hanson Gregory was aboard a ship loading wheat. He was the age of 15. Gregory claimed he was the first to make a hole in the center of the pastries, and then showed his mother Elizabeth Gregory, who produced them and called them "doughnuts".

Doughnuts made an appearance in an English cookbook in 1803. There was also a recipe for "dow-nuts" in a book from 1800. By the middle of the 1800s, doughnuts that resembled the ones popular today were enjoyed in many places in America.

A National Day

Doughnuts are so popular in the United States that there is an entire day devoted to them. National Doughnut Day, or National Donut Day, is celebrated on the first Friday in June. The Salvation Army originally conceived this day in 1938. The goal of the day was to pay homage to Salvation Army workers who gave doughnuts to World War I soldiers. 250 of these workers went to France handed out hundreds of doughnuts and were known by the moniker, "doughnut dollies".

All Around the World

Asia and the Middle East

In Tunisia, people enjoy *yo-yos*. Some *yo-yos* are in the shape of American doughnuts, and others do not have a hole. Like American doughnuts, they are deep fried. Most *yo-yos* are topped with frosting, honey syrup, or topped with sesame seeds. In Morocco, the *al-ayja* is like a doughnut, and flavored using honey and often covered with sprinkles. The *ngauhielabu* is a Cantonese dessert, and it is shaped like a tongue which is why the name translates directly to "ice-tongue-pastry". In Cantonese cuisine, a round pastry called *asaljung* is similar to a doughnut and often topped with sugar. In Beijing, many people enjoy a *gaoli douzha*, with a red bean

Open Response Questions For Social Studies

Matthew David, Carole D Sutton

Open Response Questions For Social Studies:

Making Connections in Elementary and Middle School Social Studies Andrew P. Johnson, 2009-10-15 Making Connections in Elementary and Middle School Social Studies Second Edition is the best text for teaching primary school teachers how to integrate social studies into other content areas This book is a comprehensive reader friendly text that demonstrates how personal connections can be incorporated into social studies education while meeting the National Council for the Social Studies' thematic pedagogical and disciplinary standards Praised for its wealth of strategies that go beyond social studies teaching including classroom strategies pedagogical techniques activities and lesson plan ideas this book examines a variety of methods both novice and experienced teachers alike can use to integrate social studies into other content areas *Research Methods for the Behavioral and Social Sciences* Bart L. Weathington, Christopher J. L.
