Prentice-Hall Tax Service for 1919 (Classic Reprint) Prentice-Hall Inc, Prentice-Hall, Inc, 1919 Excerpt from *Prentice Hall Tax Service for 1919* This allowance is not based upon the difference between the actual war cost of such facilities and what they would have cost at pre war prices. Obviously the taxpayer is not entitled to recover or extinguish through amortization more than the difference between the war cost of such property and what he can sell the property for after the war or if he continues to need and use it in his business what it would have cost him after the war. As the rule is expressed in Article 183 of the Regulations The total amount to be extinguished by amortization in general is the excess of the unextinguished or unrecovered cost of the property over its maximum value either for sale or for use as part of the plant or equipment of a going business under stable post war Conditions.
