Operations Research Solutions Manual Winston:

Student Solutions Manual for Winston's Operations Research: Applications and Algorithms, 4th Wayne L. Winston, 2004
The market leading textbook for the course Winston's Operations Research owes much of its success to its practical orientation and consistent emphasis on model formulation and model building. It moves beyond a mere study of algorithms without sacrificing the rigor that faculty desire. As in every edition, Winston reinforces the book's successful features and coverage with the most recent developments in the field. The Student Suite CD ROM which now accompanies every new copy of the text contains the latest versions of commercial software for optimization, simulation, and decision analysis.
