## **Oprah Miracles And The New Earth A Critique:**

**Oprah, Miracles, and the New Earth** Erwin W. Lutzer, 2008-11-06 When the world's most powerful celebrity according to Forbes magazine personally teaches a course on miracles millions will join her class including many believers. What will happen when the coursework blends inspiration and encouragement with some of the oldest heresies in the Enemy's arsenal? People you know and love may dismiss the claims of Jesus Christ as the only way to God. Dr. Erwin Lutzer's insight and clarity reveals the true nature of contemporary spirituality tracing its roots across a range of false belief systems and back to its first appearance in the garden of Eden. In a day when so many seek direction from the media it remains essential to carefully discern between truth and the lie.

**When a Nation Forgets God** Erwin W. Lutzer, 2010-01-01 HEADLINE Bread Over Freedom The people of Germany weren't any more barbaric, uncivilized, or depraved than any other Western nation of the early Twentieth Century yet the Nazi regime will forever serve as an example of brutality and extreme racism run amok. What led so many people to such extreme ends? According to Dr. Lutzer, the German people's progression from civility to barbarity was not extraordinary and more than a few benchmarks from their transition can be observed in present day American society. The Church is silenced, the economy is king, the lawmakers determine behaviors, the media controls beliefs, the Gospel and nationalism become inextricably tied to each other and yet heroes still have power. This is not to suggest the United States is marching toward authoritarian oblivion but that we especially we Believers must be vigilant in our stand for truth, justice, and righteousness. We must take note of these lessons from history. The parallels are real but the conclusion is not a foregone one.

**Is God on America's Side?** Erwin W. Lutzer, 2009-01-01 With typical wisdom and lucidity, Erwin W. Lutzer addresses a fundamental question, a question begging for an answer after a frenetic election. Is God really on America's side? To answer the reader is carefully led through seven vital principles of a biblical understanding of judgment. God can both bless and curse a nation. God judges nations based on the amount of light and opportunity they are given. God sometimes uses exceedingly evil nations to judge those that are less evil. When God judges a nation, the righteous suffer with the wicked. God's judgments take various forms. In judgment, God's target is often His people, not just the general population. God sometimes reverses intended judgments. Provocative questions for individual reflection or group discussion complete each chapter of the book. Throughout Lutzer's insights into how Christians should view government, equips them to think with the Bible in one hand and a newspaper in the other.

**Oprah Theology** George B. Davis, 2023-05-25 Oprah Winfrey is one of the most influential people of our time. Her extraordinary gift for connecting with people combined with her ever-expanding empire is extending her sphere of influence significantly. For millions, Oprah is perceived as the most credible source of information concerning just about anything. However, more than anything else, Oprah uses her elevated celebrity status to expound upon her deep-rooted spiritual beliefs to millions of unsuspecting viewers, many who claim to be Christian. In *Oprah Theology*, author George B. Davis tells how the media maven aggressively and effectively integrates and sells her brand of New Spirituality through her

speaking engagements her book club her magazine her radio network her television show and now her television network Davis takes an exhaustive look at Winfrey s claim that the core principles of her New Spirituality are based in biblical principles Oprah Theology gives readers insight into the woman who overcame extraordinary adversity to become a media mogul Oprah Theology also offers a unique look at how she has influenced modern day religion a look that suggests things may not be as they seem

**Christianity and Rabbinic Judaism** Jonas E. Alexis,2011-12 The simple step of a courageous individual is not to take part in the lie One word of truth outweighs the world Alexander Solzhenitsyn In this penetrating and provocative work Jonas E Alexis challenges common assumptions about the relationship between Christianity and Rabbinic Judaism and provides compelling evidence from history and theology that demonstrates the extent to which modern Judaism has been defined by the Pharisaic and Rabbinic schools of thought As Alexis meticulously documents there has been a constant struggle between Christianity and Rabbinic Judaism since the time of Christ a struggle that will define the destiny of the West Islam according to Christianity is a historically and theologically false religion since it denies both Jesus s deity and His work of salvation at the Cross But Rabbinic Judaism Alexis argues is equally false and in many respects more dangerous to Christianity and the West than Islam since at its root Rabbinic Judaism wages war against the Logos the system of order in the world embodied by Christ In this painstakingly scholarly yet readable work Alexis maintains that Rabbinic Judaism defined by the Pharisaic teachings now codified in the Talmud that Jesus sought to correct is a categorical and metaphysical rejection of Christianity a rejection that has had and will continue to have severe implications for Western culture intellectual history and theological exegesis

**Dare to Be Dogmatic** Larry L. Long,2020-02-07 Today s modern Christian often struggles with overwhelming issues and questions at home at work in the marketplace and within the depths of his or her own soul Often these issues come in the form of attacks against positions we take when we speak God s truth into the lives of our loved one or our places of work Many Christians have been trained to dialog with unbelievers on the big issues of apologetics but few have been equipped with the less weighty but no less troublesome issues of everyday life Dare to Be Dogmatic was

written in the format of short essays to equip the reader in thinking through many of these issues Many topics are covered that will prepare the reader to give an answer and a reason for the hope that is our in Christ Jesus 1 Peter 3 15 Some essays are fun some a bit frivolous but all have a point rooted in a Judeo Christian and biblical worldview
