But the Alpha King didn't bring me to his castle to be a maid. Isla, I'm a nobody from a struggling pack, just trying to help my family cover my brother's medical bills. When I'm sent to the Alpha King's palace, I expect to scrub floors, not sleep in a luxurious bed. Then I find out the truth: I've been sold to be his breeder. King Maddox is cold, cruel, and dangerously powerful. Rumor has it he killed his first wife and now he needs an heir or he'll lose his throne. I've never even been with a man. How am I supposed to survive this? And worse, why does my body crave the one man who might destroy me? Maddox. After my Luna Queen died, I vowed never to love again. But time is running out. I need an heir, and I need one now. I didn't go looking for a breeder, but Isla arrived at my doorstep like fate itself. She's innocent, Untouched. Nothing like the woman I expected. I told myself I'd use her and forget her. But now I want more than just a breeder; I want to make her mine forever. Loved by the Alpha, I've accepted my new life as the Alpha King's breeder, even though it nearly killed me. And the danger? It's far from over. Isla. Being with Maddox is more than I ever dreamed. I know I'll never be his Luna Queen, and that's okay; just being near him feels like enough. But his enemies are still out there. And some of them are coming for me. As secrets about who I really am begin to unravel, I start to wonder: Am I meant to be somewhere else? With someone else? Maddox won't even hear of it. To him, I'm his for life. Maddox. I swore I'd never love again, but Isla has me breaking every rule I've ever set. She thinks I'm holding her back, but I'm protecting her. She has no idea how dangerous my world is. I've lost before, and I won't lose again. She's changing. Discovering truths even she didn't know. And now I'm starting to wonder: Did the Moon Goddess send her to me after all? Passion, power, and prophecy collide in Book 2 of the sizzling *Alpha King* series. Lost by the Alpha. One thing I've learned as the Alpha King's breeder: No one is who they seem. Isla. I'm pregnant with the king's baby. But instead of shouting it from the rooftops, Maddox wants to keep it a secret. He says it's for the baby's protection, but I know it's more than that. The other Alphas wouldn't approve. Especially because they don't want me as his Luna Queen. Now he's considering a queen consort to appease them. Then why am I still here? I thought he loved me. And when my cousin arrives from Maatua and begs me to return with him to break the ancient curse, how can I say no? It's not like Maddox will miss me. Right. Maddox. The Alphas are restless. War is coming. And Zabrina's mother is stirring chaos across the kingdom. They want an heir. They want a queen. And to stop them from turning on me, I have to consider both, even if it tears Isla apart. Now Isla's leaving. She thinks I don't love her. She couldn't be more wrong. But if I don't act fast, I might lose her. Forever.
