## Parcc Item Development Pacing Guide:

Adult and Continuing Education: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources, 2014-03-31 Beyond the undergraduate and graduate levels education has traditionally ceased when students enter the workforce as professionals in their respective fields. However, recent trends in education have found that adult students beyond the traditional university age often benefit greatly from returning to further their education. *Adult and Continuing Education Concepts, Methodologies, Tools, and Applications* investigates some of the most promising trends in furthering education and professional development in a variety of settings and industries. With an extensive array of chapters on topics ranging from non-traditional students to online and distance education for adult learners, this multi-volume reference book will provide students, educators, and industry professionals with the tools necessary to make the most of their return to the classroom.

*Getting Started with Rigorous Curriculum Design* Larry Ainsworth, 2013 School districts are now successfully implementing the Rigorous Curriculum Design process to redesign their curricula to fulfill the promise of the Common Core and prepare students for success on the coming national assessments. Each chapter of *Getting Started With Rigorous Curriculum Design* will provide educators with collective wisdom, insights, and ideas to enrich and expand understandings they may not have yet come to on their own.

**Design in Five** Nicole Dimich, 2014-09-11 Fully engage learners in your classroom. Discover how to create high quality assessments using a five phase design protocol. Explore types and traits of quality assessment and learn how to develop assessments that are innovative, effective, and engaging. Evaluate whether your current assessments meet the design criteria and discover how to use this process collaboratively with your team.

**Make It Happen** Kim Bailey, Chris Jakicic, 2018-12-07 Ensure every educator is engaged in the right work with a collective focus on improved student learning. Aligned to the Professional Learning Communities PLC at Work model, this resource includes instructional coaching tools, processes, protocols, templates, tips, and strategies designed to support the multidimensional work of instructional coaches and PLC training. Each chapter includes action steps and reflective coaching activities as well as suggestions for navigating some of the most common issues instructional coaches face. Use this book to understand the unique requirements of instructional coaches in building a school that answers the four critical questions of a PLC at Work.

Learn how to provide PLC training and professional development for collaborative teacher teams. Study three major variables that will affect instructional coaching capacity, culture, and context, and four major actions that will act as guiding principles. Explore issues that can arise in PLC schools as well as teacher coaching strategies to help resolve these issues. Deepen your understanding of instructional coaching in a PLC with helpful online reproducibles and teacher coaching tools. Acquire capacity building strategies aligned to the four PLC questions. Contents: Introduction, Chapter 1: How to Get Started as an Instructional Coach, Chapter 2: What Do We Want Students to Know and Be Able to Do, Chapter 3: How Will We Know if They Have Learned It, Chapter 4: How Will We Respond When Some Students Do Not Learn, Chapter 5: How Will We Extend the
