

# "A Graduation Blessing"™

By Barbara D. MacAdam

Embarking on a journey which began some time ago, how could you have imagined all the things you'd come to know. You learned to use each challenge as an opportunity, to overcome each problem - despite adversity.

It wasn't always easy keeping up with friends at school, but YOU held on to your beliefs, and followed "the golden rule."

You found your voice & chose a path that honors who you are. And that, I think, may be your greatest lesson learned thus far.

For no one could be prouder of the person you've become, and that is why I'm confident that the best is yet to come. May you never waste a moment wishing life was not unfair. Rather use the gifts God gave to you, to change the world out there.

Your Graduation signals us that you are on your way. So spread your wings and fly my dear, forever and a day!
