

# Welcome...

I am very excited to have your child be my class this year. First grade is considered one of the most important grades in elementary school so much preparation, planning and practice has gone into the curriculum. Please read the section on accompanying parent handbook.

This parent letter will help you better understand the policies and procedures for our first grade classroom. As you know this is a large class and in order to run smoothly and efficiently we will need the parents' cooperation to maintain our learning time. I hope you know how thoughtful I am that my students have such great parents to help guide their learning!

# About Me...

I have an extra range of experiences in education and teaching.

My educational desire is that your student will experience a wide range of learning opportunities in my classroom and that through these opportunities they will grow and succeed academically and socially. Please allow the experiences, lessons and activities as they look at their progress. I am concerned about their character development and their emotional growth to people who have compassion and tolerance. It's never too early or late to start developing good character traits!

The assessment for your family: If there is ever anything you feel your child is affecting your child's behavior or performance, please let me know so that I can work with you and provide a supportive environment for learning and stability.
