## **Parenting With Scripture A Topical Guide For Teachable Moments:**

*Parenting with Scripture* Kara Durbin, 2001 Kara Durbin's passion is for parents to capture those teachable moments and use Scripture to shape their children's behavior. She offers *Parenting with Scripture* a unique topical guide to prepare parents with scriptural teaching and helpful activities on 100 specific behaviors.

*Setting Their Hope in GOD* Andrew Case, 2010-03-20 Endorsed by Tim Challies, Sally Lloyd Jones and others. *Setting Their Hope in GOD* is a prayer book that has enriched thousands of families helping parents discover the power of praying God's Word for their children. Be a part of the scripture prayer movement and join others in leaving a legacy of hope in God. With *Setting Their Hope in God* Andrew Case has served parents well by providing a rich resource of humble biblical bold and God honoring prayers we can bring before the Lord on behalf of our children. How blessed will be the family where these prayers are offered that our children may indeed set their hope in God.

BRUCE A WARE author of *Big Truths for Young Hearts* There are lots of parenting resources out there for Moms and Dads on all kinds of important issues ranging from discipline to talking about sex to family vacations. One of the most important responsibilities of fathers and mothers however is to pray for and with their children. This book drawn mostly right from Holy Scripture can be a spur to your family to get off the couch and away from the television and on your knees praying for the salvation and welfare of your children.

RUSSELL D MOORE Author of *Adopted for Life* President Ethics and the prayers to inform your mind as you not only agree with them but also use them as a springboard for your own heartfelt prayers for your children, grandchildren and a generation yet unborn.

DAVID SALLY MICHAEL authors of *Children Desiring God* curricula Pastor for Family Discipleship Bethlehem Baptist Church. Andrew Case has provided parents with a powerful tool the Word of God turned to prayer specifically for their children. What a blessing it is to read that prayer is a reminder of our littleness and of God's greatness. That nowhere are we more helpless than in prayer. For it means we can begin where we are as we are today. Soaked in scripture interspersed with great quotes this book will encourage, inspire and strengthen anyone who wants to learn to grow in dependence on God or in other words prayer.

SALLY LLOYD JONES Best selling author of *The Jesus Storybook Bible*. As a father I continually feel inadequate to the task of praying for the three precious children God has entrusted to me. I understand that I need to pray and I genuinely want to pray. Yet I am so often lost when it comes to knowing how. In *Setting Their Hope in God* Andrew Case turns to the ultimate prayer book the Bible to craft prayers for parents who want to see their children turn to the Lord to live for the Lord to honor him with their lives. I am convinced that this book will prove an indispensable resource to many mothers and fathers as they seek to hold up their children before the throne of grace.

TIM CHALLIES author blogger [www.challies.com](http://www.challies.com). We Christian parents to whom God has committed a holy trust of raising children are often at a loss for words when it comes to praying for them. We long for their best but how exactly to say it. And how to avoid the ruts of prayer into which we often fall and flounder. Here in this fabulous book of prayers the deepest longings of our hearts for them are expressed and then some. By themselves these prayers are

but words but may they be joined with faith and the Spirit's power and prove to be truly efficacious Thank you Andrew for this gem MICHAEL A G HAYKIN Author of *The Christian Lover* and *The God Who Draws Near* [Parenting from the Scriptures and Scriptures for the Parents](#) Mark Lovis,2017-01-26 Teach children how they should live and they will remember it all their life Proverbs 22:6 NLT Most children will grow up and leave home with very little knowledge of where to find the answers to their questions As a result the family is likely to experience many years of struggle and frustration This book will equip parents pastors counselors teachers Christian groups church groups and most of all children with the information they need to learn Bible principles The Topical Guide will enable them to use the Bible as a tool to find Scriptures that will help them with guidance for specific problems and questions children may have Part 1 is a Topical Guide divided into 101 categories listed from A-Z Below are a few topics covered in this section Afraid Angry Attitude Being Yourself Bullying Cheating Complaining Disrespect Do Unto Others Friends Gossip Greedy Hate Jealousy Lazy Learning Lying Meanness Pay Back Prayer Rewards Self Control Sorry Stealing Stubborn Talks Too Much Temptation Wisdom and Understanding Worry There are also eight bonus sections in Part 2 God's wisdom is in the Bible and this book shows you specifically where to find it for each of the 109 categories This book gives parents the information they need to learn God's wisdom so they can teach their family how to be the individuals God wants them to be If a family is to experience a good life with minimal struggles they must first acquire the right attitude second they must learn how to learn and third they must learn God's wisdom and understanding to guide them in making the right choices All Scripture is given by God And all Scripture is useful for teaching and showing people what is wrong in their lives It is useful for correcting faults and teaching the right way to live ERV 2 Timothy 3:16 Click the links below to purchase **Nanny to the Rescue Again!** Michelle LaRowe,2006-11-05 Faced with multiple choices regarding school friends and activities coupled with the ever widening influence of the outside world parents of 6-12 year olds need help America's nanny is back to offer a large dose of healthy parenting advice with secrets for raising happy secure and well balanced children *Raising Respectful Children in a Disrespectful World* Jill Rigby,2013-08-06 Provides a guide for parents that recommends an alternative approach that encourages respect for the self and others in a reference that explains how to foster such values in children as thankfulness and unselfishness *WHERE DO BUTTERFLIES GO?* Dominique Davidson-Stephens,2012-09-23 When he beats you up or sexually abuse you and there's no refuge in sight what do you do Who do you call Who can you depend on for help The idea is to equip our beautiful butterflies with the tools needed to survive The lesson starts with self respect self confidence self reliance self control and high self esteem With these tools our young women will be able to stand strong in the face of adversity Who can help Who can our young women get their knowledge and wisdom from The answer is very simple Women Women Women Strength knowledge and wisdom can come from the experienced woman Life can be a hard journey for young girls and they need our help Let us take the steps to encourage and educate our young butterflies so that they will be able to
