

Parents' Guide for Confirmation Lessons

This package has been designed to help parents guide their child as they journey toward a more complete Christian spiritual maturity while preparing to be confirmed. Candidates will soon be confirming that they wish to become full members of the Church in both their thoughts and actions. This is a major commitment that requires an informed decision to be made by each candidate so that they might feel confident in living out their new role in the Church. While no candidate will ever follow this road alone, as parents, sponsors or members of the community, we need to do everything possible to make this journey a rewarding one for each candidate.

In an attempt to do my part to help out, I have been asked to create a user friendly guide that will help you draw out the essential information from the "Confirmation for teens" program that will help your son or daughter to make a solid, informed decision about choosing to be confirmed. It seems these days we are all pulled too far in too many directions, making it difficult to find the time to focus our energy on one specific task. A quote from one of my favourite books by Og Mandino touches on this by stating, "Concentrate your energy. To be everywhere is to be nowhere." If I can help make it easier for candidates and their families to go through this material, and understand what is really important for them to know in order to receive the sacrament of Confirmation, then my time has been well spent.

In order to successfully complete this program, candidates will be required to concentrate on a number of concepts related to Confirmation and to complete a number of activities. The concepts to be focused on are:

- Understanding the Sacraments of Initiation - Baptism, Confirmation and Eucharist
- Understanding basic belief statements of the Catholic Church - The Nicene and Apostles' Creeds, the Ten Commandments and the Beatitudes
- Understanding the gifts and fruits we have been given by the Holy Spirit.

The activities to be completed are:

- Selecting a Confirmation name
- Selecting a sponsor
- Writing a Saints essay
- Completing a witness project
- Writing a letter to the Bishop
- Completing family homework assignments
- Participating in a candidates' retreat.

This guide will be comprised of brief lesson overviews and will identify objectives to be met for each lesson. Hopefully this will help each family to concentrate their energy on the most important information in this program. I will also describe the various activities that need to be completed to successfully complete the program.

I hope this is an informative and spiritually rewarding journey for your family.

Peace,

Mike Osionay

Parents Guide To Confirmation:

A Parent's Guide to the Restored Order Mikki Sciba, 2021-12 This book gives parents a brief overview of the restored order by answering some of the most frequently asked questions parents have as their children prepare for these sacraments. It reflects upon the theology of the sacraments of initiation, the role of parents and sponsors in this process, and the structure of the sacramental celebration. When parents have a better understanding of these things, they are better equipped to foster their child's spiritual growth and encourage them to become active participants in the life of the church. **Becoming Catholic** Kathy Horan, 2014 *Becoming Catholic* Kathy Horan, 2022 In recent years, there has been a renewed emphasis on understanding sacramental celebrations as parish events. Parents are engaged more significantly in the process of preparing their children to celebrate the sacraments of Reconciliation, Confirmation, and Eucharist. The *Becoming Catholic* series provides support to parents as well as catechists and educators and children preparing to receive the sacraments of Baptism, Confirmation, Reconciliation, and Eucharist. **Becoming Catholic** Kathy Horan, 2006 **The Parents Guide for the Transmission of Desired Qualities to Offspring, and Childbirth Made Easy** Hester Pendleton, 1876 *Confirm Parent Guide* Michael Novelli, 2016-10-21 *Confirm Your Faith Your Commitment* God's Call Too often, confirmation has been downgraded to the role of a checkpoint along the faith journey. The *Confirm* family of resources reclaims confirmation as the first step on a journey that leads to a mature adult faith. *Confirm* treats confirmation as more than a decision. Instead, it is the beginning of a conversation about what it means to be a Christian, living out your faith, your commitment, and God's call. *Confirm* is an easy-to-follow and fully customizable confirmation program that can be used virtually in any church setting and with a wide variety of schedules. You have the option to schedule your lesson choices and the tools to organize your own confirmation program over the course of a school year, a 3-year span, or in any other way that meets your needs without having to purchase additional customizable content. With flexible and easy-to-understand materials, *Confirm* provides students with the basic beliefs of a theologically sound United Methodist faith while engaging them in creative and thought-provoking activities to help them internalize what they've learned. *Confirm* also embraces the importance of community in the journey of faith development and provides materials to encourage cooperation with parents and mentors in the confirmation process and beyond. The *Parent Guide* provides an overview of confirmation and helps the parent and family establish their role in the process. The guide includes discussion starters, activities, and devotional suggestions for use at home. As teens prepare to take the vows of confirmation, they need to be surrounded by mature Christian adults who can love, guide, and nurture them. This love and nurturing begins at home with the youth's parent or guardian. **A Parent's Guide to Asthma** Nancy Sander, 1994 Asthma is the leading cause of missed school days in America.
