**Fighting Scholars** Raúl Sánchez García,Dale C. Spencer,2014-12-01 Fighting Scholars offers the first book length overview of the ethnographic study of martial arts and combat sports The book s main

claim is that such activities represent privileged grounds to access different social dimensions such as emotion violence pain gender ethnicity and religion In order to explore these dimensions the concept of habitus is presented prominently as an epistemic remedy for the academic distant gaze of the effaced academic body The book s most innovative features are its empirical focus and theoretical orientation While ethnographic research is a widespread and popular approach within the social sciences combat sports and martial arts have yet to be sufficiently interrogated from an ethnographic standpoint The different contributions of this volume are aligned within the same project that began to crystallize in Lo c Wacquant s Body and Soul the construction of a carnal sociology that constitutes an exploration of the social world from the body
