Ecological Footprints Dawn M. Nothwehr,2012-11-01 The Franciscan Vision offers a powerful antidote to the moral malaise that prevents ordinary Christians from making the necessary choices to live more simply and share the world's goods more equitably. This is the driving conviction behind Ecological Footprints. Dawn M. Nothwehr unfolds the theological, spiritual and ethical treasure trove of Christianity especially as it has been developed and lived in Franciscan theology and tradition as it relates to our efforts to achieve sustainable living. She succeeds admirably in presenting it all in a style that makes this book both accessible and compelling to no specialist readers     *Stepping Stones to Christianity* Peter S.

Williams,2025-10-17 Stepping Stones to Christianity introduces a rational case for Christianity in three steps starting with scientific arguments for design in cosmology and biology moving on to philosophical arguments for the existence of God and closing with an overview of the evidence for a Christian understanding of the historical Jesus in the context of competing contemporary worldviews. By bringing together revised and expanded versions of materials written to introduce three of the author's Essays on books with Wipf Stock Stepping Stones to Christianity equips readers to consider the case for design in nature to investigate philosophical arguments for God and to wrestle with the identity of Jesus     **Following Jesus in the**

**Footsteps of Francis** Fr John Anglin,2015-11-24 Was he just a thirteenth century hippy who preached to birds and loved animals and the great outdoors Or was there more to this man Why has St Francis of Assisi captured the imagination of so many even well beyond the boundaries of the Catholic Church capturing the imagination not only of other Christians but even of non believers Fr John Anglin OFM a Catholic priest for forty four years and a Franciscan friar for fifty years shows how this holy man from the thirteenth century chose a life of living the gospel of Jesus Christ in a way that everyone could follow. In Following Jesus in the Footsteps of Francis Fr John explains the spiritual vision of St Francis and those who came after him. He sets forth the theological and spiritual vision of this great saint and explains how this vision shapes the lives of those who would follow Jesus in this way whether they are members of the Franciscan order or ordinary folks who simply want to live out the vision of this holy man. Above all he shows how this eight century old vision still inspires people today     **Following**

**Footsteps** David

Bonn,2006-08 I never meant to write a book about Jesus I just wanted to read the bible for myself at least once all the way through as an act of respect for my ancestors After all I am built out of these folks and their God Sunday school taught stories to mold me into a moral human being How Fear hellfire and brimstone if I misbehaved Old Testament stuff Churches still scare me In fact that seems to be their strategy The New Testament is different As it turns out Jesus is an anarchist An anarchist is anyone that does not need the law or a cop to tell them the right thing to do Jesus drives responsibility and freedom down to their most fundamental level into me What is right in this world If I just listen I know it in my heart In the human heart all is known This is what Jesus shows me the open door between the human heart and the Holy Ghost I invite you to take a look into your own heart to see if what I say in Footsteps is true

**Francis and Jesus** Murray

Bodo,2013-11-04 Following up on Francis The Journey and the Dream Murray Bodo offers a maturing of his own friar s spirituality in this dramatic storytelling of Francis close connection and relationship with Jesus Here we see a multi dimensional yet internal Francis as the ultimate disciple of Jesus Francis as sufferer in the wilderness as itinerant as

misunderstood in prayer as teacher as lover and protector of the poor in authority while subject to God's authority in community as healer as wounded     *The Writings of Saint Francis of Assisi* St. Francis of Assisi, 2021-10-15 Saint Francis is considered the first Italian poet by some literary critics. He believed commoners should be able to pray to God in their own language and he often wrote in the dialect of Umbria instead of Latin. Francis' writing fully reflects his personality and spirituality, making them at once formidably mystic and exquisitely human. They combine great elevation of thought with much picturesqueness of expression. Through his prayers, correspondence, and *regulas*, readers will connect and unite with one of the most beloved saints of the Catholic Church.
