### Public

Relations as Public Diplomacy Sandra L. Braun, 2020-01-27 This is a study of the Royal Bank of Canada's Monthly Letter which was initially created in 1920 as a traditional economic newsletter and later evolved quite serendipitously into a publication marvel when in 1943 it came under the influence of John Heron journalist and publicist gaining mass appeal both domestically and abroad This concise history documents the inception development and rise to popularity of the Monthly Letter telling the untold story of how a corporate newsletter became a tool of international public diplomacy The purpose of this writing is to demonstrate the entanglement of the fields of public diplomacy and public relations and to offer a more palatable conceptualization of them as two discrete but necessary parts of a whole It acknowledges the varied soup of contested terminology which surrounds the field of public diplomacy e.g. corporate diplomacy cultural diplomacy and economic diplomacy This work conceptualizes public diplomacy and public relations as two parts of a whole in which the sum is greater than its individual parts juxtaposing the two fields in relation to one another diminishing neither The contents of this work provide a broad overview of the fields of public diplomacy and public relations that could serve as an introduction and discussion point for students and scholars in both fields and offers a specific case study around which lively discussion and additional study can ensue

### International Broadcasting and Its Contested Role in Australian Statecraft

Geoff Heriot, 2023-03-14 This book offers an insightful reappraisal of international broadcasting as discursive rather than soft power in service of democratic statecraft This at a time when issues of transnational media the credibility of news and the perils of disinformation and information warfare figure worryingly in public discourse Reflecting the perspective of middle power Australia author Geoff Heriot locates the strategic utility of multiplatform international broadcasting with reference to contemporary theories of soft hard smart power projection and intercultural communication He applies a fresh model of strategic analysis to the political history of Radio Australia examining the various external and internal variables that resulted in its flawed success in political communication during the late Cold War period

Top Ten Global Justice Law Review Articles 2008 Amos N. Guiora,2009 Top Ten Global Justice Law Review Articles 2008 is a thorough and accessible review of the most salient the most controversial and the most illuminating essays on security law in the previous calendar year In this edition Professor Amos Guiora presents the ten most vital and pertinent law review articles from 2008 written by both scholars who have already gained international prominence as experts in global justice as well as emerging voices in the realm of international criminal law and human rights These articles deal with issues of terrorism security law environmental law and the preservation of civil liberties in the post 9 11 world The chosen selections derive not just from the high quality and expertise of the articles authors but equally from the wide diversity of legal issues addressed by those authors Guiora combines the expertise of scholars from both eminent law schools and government agencies to provide a valuable resource for scholars and experts researching this important subject area This annual review provides researchers with more than just an authoritative discussion on the most prominent global justice debates of the day it also educates researchers on new issues that have received far too little attention in the press and in academia These expert scholars and leaders tackle and give voice to issues that range from the psychology of terrorism to the role of oil in the Sudanese genocide to the oppression of women in new Arab democracies to transnational environmental cooperation and beyond Together the vast knowledge and independent viewpoints represented by these ten authors make this volume a valuable resource for individuals new to the realm of global justice and for advanced researchers with a sophisticated understanding of the field Top Ten Global Justice Law Review Articles 2008 serves as a one stop guidebook on how both the U S and the world generally are currently grappling with fundamental principles of social and political life

The Global Public Relations Handbook Krishnamurthy Sriramesh,Dejan Verčić,2019-10-21 In this third edition The Global Public Relations Handbook Theory Research and Practice offers state of the art discussions of the global public relations industry blending research based theory with practice and

presented in essays from both academics and practitioners. This edition's 28 essays in three sections take into account changes in the global communication landscape especially in the last ten years. The first section contains essays that provide conceptual linkages between public relations and international political systems, economic systems and levels of development, societal culture, different media systems including digital media and activism. Essays in the second section discuss the communication of various global actors such as corporations including family owned enterprises, non profits, governments and public sector enterprises, global public relations agencies, IGOs such as the European Union and NATO and informal organizations such as hactivist groups, terrorists and failed states. The third section discusses key global communication issues such as climate change, character assassination as a communication tool, internal communication, risk and crisis communication, public affairs and public diplomacy. This will be an essential resource for students and researchers of public relations, strategic communication and international communication.

*Internet Journal*, 2007      **Syracuse Journal of International Law and Commerce**, 2011      **The Brown Journal of World Affairs**, 2006      *Social Science for Counterterrorism* Paul K. Davis, Kim Cragin, 2009

Employs an interdisciplinary social science approach to various counterterrorism questions, problems and policies.      **Global Governance and the UN** Thomas George Weiss, Ramesh Chandra Thakur, 2010

In the 21st century the world is faced with threats of global scale that cannot be confronted without collective action. Although global government as such does not exist, formal and informal institutions, practices and initiatives together forming global governance bring a greater measure of predictability, stability and order to trans border issues than might be expected. Yet there are significant gaps between many current global problems and available solutions. Thomas G. Weiss and Ramesh Thakur analyze the UN's role in addressing such knowledge, normative policy, institutional and compliance lapses. The UN's relationship to these five global governance gaps is explored through case studies of some of the most burning problems of our age including terrorism, nuclear proliferation, humanitarian crises, development aid, climate change, human rights and HIV AIDS.
