## **Pdf Train Crystal City Prisoner Internment:**

*Beneath Heavy Pines in World War II Louisiana* Hayley Johnson, Sarah Simms, 2023-06-21 December 7 1941 changed the lives of thousands of Japanese Americans who became enemy in the eyes of the United States government within hours With Pearl Harbor still smoldering these men would be arrested and put into the enemy alien internment system As the study of internment has steadily grown the information about the confinement sites and ability to piece together the experiences of the men within has remained a challenging task Camp Livingston famous as a site for the Louisiana Maneuvers holds a darker and less well known history From 1942 1943 over 1 000 men of Japanese ancestry were held in this internment camp in the pine forests of central Louisiana The authors approach this camp s history via the experiences and linkages to and through two families the Miyamotos and Koharas who are the beating heart at the center of this saga Through them the authors have laid out a historical counter narrative that is part biography and part critical exploration of a forgotten chapter of American history This manuscript is the first of its kind to focus primarily on exploring Camp Livingston arguably one of the lesser known enemy alien internment camps in depth including its layout operations and the daily life and experiences of the internees within

**Beyond the Betrayal** Yoshito Kuromiya, 2022-01-24 *Beyond the Betrayal* is a lyrically written memoir by Yoshito Kuromiya 1923 2018 a Nisei member of the Fair Play Committee FPC which was organized at the Heart Mountain concentration camp The first book length account by a Nisei World War II draft resister this work presents an insider s perspective on the FPC and the infamous trial condemning its members efforts It offers not only a beautifully written account

of an important moment in US history but also a rare acknowledgment of dissension within the resistance movement both between the young men who went to prison and their older leaders and also among the young men themselves Kuromiya's narrative is enriched by contributions from Frank Chin Eric L Muller and Lawson Fusao Inada Of the 300 Japanese Americans who resisted the military draft on the grounds that the US government had deprived them of their fundamental rights as US citizens Kuromiya alone has produced an autobiographical volume that explores the short and long term causes and consequences of this fateful wartime decision In his exquisitely written and powerfully documented testament he speaks truth to power making evident why he is eminently qualified to convey the plight of the Nisei draft resisters He perceptively reframes the wartime and postwar experiences of the larger Japanese American community commonly said to have suffered in the spirit of shikata ga nai enduring that which cannot be changed and emerged with dignity Beyond the Betrayal makes abundantly clear that the unjustly imprisoned Nisei could and did exercise their patriotism even when they refused to serve in the military in the name of civil liberties and social justice Kuromiya's account initially privately circulated only to family and friends is an invaluable and insightful addition to the Nikkei historical record
