Pdf Online Bound Promised Land Portrait American:

The Underground Railroad Ann Malaspina, 2010 When the Fugitive Slave Law of 1850 was passed by Congress the flight to freedom for runaway slaves became even more dangerous Even the free cities of Boston and Philadelphia were no longer safe and abolitionists who despised slavery had to turn in fugitives But the Underground Railroad a secret and loosely organized network of people and safe houses that led slaves to freedom only grew stronger Since the late 1700s blacks and whites had banded together to aid runaways like Maryland slave Frederick Douglass who disguised himself as a sailor to board a train to New York Virginia slave Henry Brown packed himself in a box to get to Philadelphia The minister John Rankin who hung a lantern to guide runaways to his house by the Ohio River endured beatings for speaking against slavery Quaker storeowner Thomas Garrett was put on trial for helping fugitives in Delaware Meanwhile the nation marched on toward Civil War At its height between 1810 and 1850 these secret routes and safe houses were used by an estimated 30 000 people escaping enslavement In *The Underground Railroad The Journey to Freedom* read how this secret system worked in the days leading up to the Civil War and the pivotal role it played in the abolitionist movement **Harriet Tubman** Ann Malaspina, 2014-05-14 Born Araminta Ross Harriet Tubman was a former slave who became an abolitionist and a spy for the Union army during the Civil War Tubman is most famous for rescuing more than 70 runaway slaves by using a network of safe houses owned by other abolitionists known as the Underground Railroad She had escaped a harsh life in Maryland where she worked first as a child nurse and then a field hand After escaping to Philadelphia at the age of 29 Tubman immediately returned to Maryland to rescue her family She faced great danger as she was hunted by the law but her uncanny ability to find food and shelter during these hazardous missions meant she never lost any of her charges Later Tubman worked as a nurse scout cook and spy for the Union army and continued to fight for the rights of women everywhere *21st Century US Historical Fiction* Ruth Maxey, 2020-07-17 This new collection examines important US historical fiction published since 2000 Exploring historical novels by established American writers such as Philip Roth Joyce Carol Oates E L Doctorow Chang rae Lee James McBride Susan Choi and George Saunders the book also includes chapters on first time novelists Individual essays in *21st Century US Historical Fiction Contemporary Responses to the Past* tackle prominent and provocative new novels for example recent Pulitzer Prize winning fiction by Anthony Doerr Viet Thanh Nguyen and Colson Whitehead Interrogating such key themes as war race sexuality trauma and childhood notions of genre and periodization and recent theorizations of historical fiction scholars from the United States Canada Britain and Ireland analyze an emerging canon of contemporary historical fiction by an ethno racially diverse range of major American writers **Authentic America** Cheryl M. Hargrove, 2026-01-08 Explore what makes America distinct through this in depth guide to 250 places integral to the country s cultural and historical essence **Riding the Academic Freedom Train** Jeanett Castellanos, Joseph L. White, Veronica Franco, 2023-07-03 Mentoring demonstrably increases the retention of undergraduate

and graduate students and is moreover invaluable in shaping and nurturing academic careers With the increasing diversification of the student body and of faculty ranks there s a clear need for culturally responsive mentoring across these dimensions Recognizing the low priority that academia has generally given to extending the practice of mentoring let alone providing mentoring for Black indigenous and people of color BIPOC and first generation students this book offers a proven and holistic model of mentoring practice developed in the field of psychology that not only helps mentees navigate their studies and the academy but provides them with an understanding of the systemic and racist barriers they will encounter validates their cultural roots and contributions and attends to their personal development Further recognizing the demands that mentoring places on already busy faculty the model addresses ways of distributing the work inviting White and BIPOC faculty to participate developing mentees capacities to mentor those that follow them building a network of mentoring across generations and adopting group mentoring Intentionally planned and implemented the model becomes self perpetuating building an intergenerational cadre of mentors who can meet the growing and continuing needs of the BIPOC community Opening with a review of the salient research on effective mentoring and chapters that offer minority students views on what has worked for them as well as reflections by faculty mentors the core of the book describes the Freedom Train model developed by the godfather of Black psychology Dr Joseph White setting out the principles and processes that inform the Multiracial Multiethnic Multicultural M3 Mentoring Model that evolved from it and offers an example of group mentoring While addressed principally to faculty interested in undertaking mentoring and supporting minoritized students and faculty the book also addresses Deans and Chairs and how they can create Freedom Train communities and networks by changing the cultural climate of their institutions providing support and modifying faculty evaluations and rewards that will in turn contribute to student retention as well as creative and productive scholarship and research This is a timely and inspiring book for anyone in the academy concerned with the success of BIPOC students and invigorating their department s or school s scholarship

Sonic Histories of Occupation Russell Skelchy, Jeremy E. Taylor, 2022-01-13 This open access book

examines how auditory environments in different contexts have contributed to understanding foreign occupation and colonialism and how they have given rise to historical music cultures How are sound and music implicated in the control and discipline of people under occupation Exploring case studies of foreign occupation and colonialism from around the world Sonic Histories of Occupation seeks to answer these questions and more Examining how an emphasis on auditory culture adds complexity and nuance to understanding the relationship between occupation and the bodily senses this book is structured around three conceptual themes voice and occupation memory sound and occupation and auditory responses to occupation and colonialism Highlighting case studies in Asia North Africa North America and Europe contributors employ a range of theoretical approaches to examine histories of imperialism and foreign occupation and the auditory legacies they created and contribute to a wider dialogue about the relationship between sound and imperial projects across political and
