WHO technical manual on tobacco tax policy and administration ,2021-04-07 This WHO technical manual on tobacco tax policy and administration builds upon the 2010 WHO technical manual on tobacco tax administration by further detailing the strategies for effective tobacco tax policy development design implementation and administration This 2021 edition also serves as an update to the 2010 manual incorporating the latest developments in science technology and policy as well as providing illustrative recent examples from a variety of countries The best practices laid out in this manual are designed to inform governments on the development of their tobacco taxation policy facilitating the achievement of their health and revenue objectives while also supporting their overall development strategy

The Routledge Handbook of Taxation and Philanthropy Henry Peter,Giedre Lideikyte Huber,2021-12-24 The Routledge Handbook of Taxation and Philanthropy ventures into a territory that is still widely unexplored It contains 30 academic contributions that aim to provide a better understanding of whether why and how philanthropic initiatives understood as voluntary contributions for the common good can and should be fostered by states through tax incentives The topic has been addressed from a multidisciplinary and multicultural perspective covering neuroeconomics sociology political science psychology affective sciences philosophy behavioral economy and law because of its global and multifaceted nature It also contains the OECD report on Taxation and Philanthropy released in November 2020 which was prepared in this context as a result of a collaboration with the Geneva Centre for Philanthropy of the University of Geneva The book is divided into four sections exploring respectively the justification of tax incentives for philanthropy theoretical and empirical insights about taxes efficiency and donor behavior in that context and tax incentives for cross border philanthropy and for hybrid entities and social entrepreneurship It is believed that this volume will be a landmark yet only the beginning of a journey in which a lot remains to be studied learned and said

Handbook of Research on Business Angels Hans Landström,Colin Mason,2016-09-28 Business angels are recognized as playing a key role in financing the start up and early stages of new ventures However our knowledge of how business angels operate remains limited and highly fragmented This Handbook provides a synthesis of research on business angels It adopts an international perspective to reflect the spread of angel investing around the world The increasing number of government initiatives to promote angel investing is also reflected in the book with an assessment of the most common support schemes Adopting an international focus the expert group of contributors examine business angels themselves the evolution of the market the various stages of the investment process and the role of public policy in influencing angel investment They each conclude their chapters with an agenda for future research on business angels Students and scholars of entrepreneurship entrepreneurial finance and related subjects will find this book to be an invaluable resource for their work In particular they will benefit from the research agendas that conclude each chapter This Handbook will also be of interest to policy makers

and other practitioners looking to enhance their understanding of the design and need for such interventions
