Nice Book Splash Words Mark Oakley:

Synodality and the Recovery of Vatican II Stephen McKinney,Thomas O'Loughlin,Beata Toth,2024-12-30 In less than a decade the notion of synodality has emerged as a central theme in Catholic life and thought especially in Catholics self reflection on who they are as the People of God ecclesiology The notion of the Church as synodal has early roots in the many councils and synods of the early churches east and west but now this notion has emerged from the history of canon law to become one that portrays a whole new image of the church The church Pope Francis has said is called to be synodal as it changes its self perception from being a power pyramid seeking to impose its vision to being a pilgrim people at the service of humanity But what are the implications of synodality The synod on synodality in Rome 2023 24 is grappling with this question but if the notion has any meaning it will require steady examination over a much longer period it will need to be owned and it will call for engagement from all parts of the Catholic Church One can only have a synodal coming together when people from every corner of the church set out on the journey to that meeting place synodos of many roads As part of this synodal engagement the Catholic Theological Association of Great Britain invited its members and some friends of the association to offer their reflections on the importance of synodality what it means how it can build on the work of the Second Vatican Council and how we can engage with it today These essays deliberately kept short and to the point are offered to our sisters and brothers in baptism in order to help us all on our journey of renewal as a pilgrim people [The Splash of Words](#) Mark Oakley,2016-08-08 Whether you love poetry or haven t read it since school The Splash of Words will help you rediscover poetry s power to startle challenge and reframe your vision It includes a selection of poems each accompanied by a reflection exploring why poetry is vital to faith

Wandering, Not Lost Barry L. Casey,2019-11-01

A spiritual journey may take many forms from Dante s descent to the pits of Hell and up the other side to the bliss of Paradise to Pilgrim s progress or even to Billy Pilgrim unstuck in time in Vonnegut s Slaughterhouse Five It could be Elijah running headlong into the desert or Jonah being flung ashore and shouting in Nineveh a petulant prophet to the end Faith can be

carried like pennies in the pocket or worn like a coat of many colors Abraham and Moses Mary and Peter all of them carried their faith and all of them had their doubts Doubt is the companion of faith and the mystery that bonds them together comes out in stories These are stories of faith doubt and mystery Not all who wander are lost
