

NIGHT NAVIGATION

"This is a night book which does not fit into any of the traditional categories. It is not a memoir, although I have to say I never thought much about what I've done in my life; it is not a novel, although it does have a story line; it is not a travel book, although I have traveled a great deal; it is not a history, although it does have a historical feel to it. It is a book that is about the way I live my life."
