A Collection of Nightmares & Dreams Ken Dube,2024-08-04 This collection features a series of short stories penned over the years They draw inspiration from my formative years immersed in eerie television shows movies comic books and British satire Some aim to deliver that spine tingling twist at the finale while others offer contemplative reflections on life Despite their diverse styles and tones they coalesce into a tapestry of nightmares and dreams awaiting interpretation during your waking hours I divided the collection into two parts nightmares and dreams Like my novels the stories border on the surreal As my short stories later led to writing novels they may have in common a character s name dream sequences and painting creativity coming to life
