Nikon D4 Manual:

Digital Nature Photography John and Barbara Gerlach, 2015-04-17 Identifying a beautiful image in nature is easy but capturing it is often challenging. To truly seize the essence of a photograph shot out of the studio and in the world requires an artistic eye and impeccable set of photographic techniques. John and Barbara Gerlach have been teaching photographers how to master the craft of photographing nature and the outdoors through their workshops and best selling books for more than twenty years. Now equipped with brand new images to share and skills to teach, this celebrated photo team is sharing their latest lessons in the second edition of *Digital Nature Photography*. Notable revisions in this new edition include introducing the concepts of focus stacking and HDR, as well as expanded discussions of multiple exposure, wireless flash, RGB histograms, live view, shutter priority with auto ISO, hand held shooting techniques, and the author's equipment selections. The inspiring imagery in this book covers a broader range of subjects than before, including ghost towns, the night sky, animals, and sports, in addition to the classic nature photographs we expect from this very talented author team. This book is a comprehensive guide to one of the broadest subjects in photography explained and demystified by two respected masters.

David Busch's Nikon D500 Guide to Digital SLR Photography David D. Busch, 2016-11-30 David Busch's *Nikon D500 Guide to Digital SLR Photography* is the most comprehensive reference and guide book for Nikon's long awaited 20.9 megapixel enthusiast professional DX format digital camera. With the same 180,000 pixel metering sensor and lightning fast 153 point autofocus system found in Nikon's top of the line D5, this model offers precise exposure and fast focusing at up to 10 frames per second. The D500 adds stunning 4K UHD video capabilities and a new SnapBridge feature that provides a seamless connection between the camera and a smartphone using a Bluetooth link. With this book in hand, you will discover all the capabilities of the Nikon D500 as you explore the world of digital photography, develop your creativity, and capture the best photographs you've ever taken. Filled with detailed how-to steps and full color illustrations, David Busch's *Nikon D500 Guide to Digital SLR Photography* describes every feature of this sophisticated camera in depth, from taking your first photos through advanced details of setup, exposure, lens selection, lighting, and more. It relates each feature to specific photographic techniques and situations. Also included is the handy camera roadmap, an easy to use visual guide to the D500's features and controls. Learn when to use every option and more importantly when not to use them by following the author's recommended settings for every menu entry. With bestselling photographer and mentor David Busch as your guide, you'll quickly have full creative mastery of your camera's capabilities, whether you're shooting on the job, taking pictures as an advanced enthusiast, or just out for fun. Start building your knowledge and confidence while bringing your vision to light with the Nikon D500.
