Taylor,2024-10-03 I m from a small town called Shreveport Louisiana Cooper Rd to be exact Born in Parkland Hospital Dallas Texas but all I know is Shreveport Louisiana I wrote this book for my children and hopefully their children s children Generation of my bloodline after I m long gone I didn t want anyone else to write or tell my story so I decided to do it and tell myself Besides God I was the only character there at all

times It wasn't easy growing up in them concrete jungles of Shreveport Louisiana Poverty everywhere as far as the eye could see All we had was each other We called it family Everything was about prayer and God Thunder and lightning outside don't make no noise Take your hat off in the house and don't sweep nobody's foot with that broom This book is for my children who I love with all of my heart and soul I don't be around them like I wish I could because of their mom but that's ok I'm learning to deal with it It's not easy at all half the time I feel broken Depressed The very reason for this book I hope my son's grow up to be good well mannered men and I hope that my only daughter grows up to be the angel that I always dreamed she'd be I hope she takes her time and be patient Daddy loves you Always have and always will and there ain't nothing on this earth that you can do about it Have fun and enjoy life Remember God and remember peace Leave you all with just two little words Take Plenty Have no idea of where am at or where I'm going but I hope this letter finds all of you in the best of health If God is with you then who on earth can stand up against you Peace **Essence of Ninjutsu** Masaaki Hatsumi,1988-04-22

Looking back almost 1 000 years the mists of Japan's chaotic past shroud the development of a way of life an ancient struggle waged against fierce feudal lords who ruled the island nation with swords of steel and a code of death before dishonor The people of the mountainous regions of what is now Iga prefecture wanted to live in peace but their lords had other plans so the people learned the martial arts of self defense and used their meager farm tools as weapons against the samurai blades of their oppressors Nine traditions of the ninja arts grew out of this seemingly endless struggle and legends were told of the supernatural abilities of the ninja fighters The ninja never gained the kind of power that topples tyrants but they gained a reputation that made tyrants cautious And they gained the kind of power that makes the spirit endure and the mind the master of its fate Told in actual stories of past grandmasters and in dojo lectures on techniques with photographs drawings and paintings the last surviving grandmaster of the ancient art of ninjutsu Dr Masaaki Hatsumi presents *Essence of Ninjutsu The Nine Traditions* In it he explains why after more than 900 years the art of the shadow warriors continues to inspire and serve practitioners from around the world Dr Hatsumi's book contains historic ninja scrolls and describes techniques for self defense and it debunks tricks that are attributed to the ninja but actually derive more from the circus than the martial arts *Essence of Ninjutsu* is a fascinating authoritative look at the roots of ninjutsu and how it continues to enrich the lives of its practitioners today Dr Masaaki Hatsumi is a bone doctor artist and writer as well as the 34th grandmaster of the nine schools of the ninja arts in Japan He has toured the United States in recent years to help Americans better understand the ninja and their way of life His articles have appeared in all of the major martial arts magazines Merciless Michael Cross,1996 Free at last from an institution Alexander Snow is heading back to New York He is a hunted man And everywhere he goes he leaves behind broken dismembered bodies and witnesses struck mute by the horrors they've seen Now alone a terrified psychiatrist remembers the ecstasy and savagery of Snow's seductive mind and how she betrayed him and knows he's coming for her *Mind of the Ninja* Kirtland C.
