## **Paperless Joy Paperless Joy:**

*Moonstone* Jaime Clevenger, 2016-05-01 Moving back to her hometown was never at the top of Joy Henderson's to do list. With a successful career in San Francisco and plenty of opportunity for casual relationships, the last thing Joy wants is to return to the small town she'd planned her whole life to escape. But family obligations pull her back home, and it isn't long before Joy runs into someone she's always dreamed of seeing again: the first girl she ever imagined kissing, Kelsey West. Olympic dreams are a thing of the past for Kelsey. Now an out-of-work swim coach recovering from a bad relationship, she's back home only long enough to get her life together. When she learns that Joy Henderson, the high school crush she never forgot, is also back in town, she can't help but wonder if there's a chance to rewrite the past. Time has changed their hometown. Time has changed Kelsey and Joy. But when it comes to two women who have never trusted love, has time changed them enough?

**The Joy of Geocaching** Paul Gillin, Dana Gillin, 2010-04-01 Describing the exciting and adventurous world surrounding geocaching, a worldwide hunt in which treasures are located using global positioning system (GPS) devices, this book offers an understanding and application of the principles and best practices of the game. What's different is that the authors wrap this knowledge in a tapestry of human stories that range from hilarious to touching. Paul and Dana Gillin interviewed 40 of the world's 50 most prolific geocachers, as well as experts in container design, extreme geocaching, and other dimensions of the game. They tell how this global activity inspires passion that has helped people heal frayed marriages, establish new friendships, and even save lives.

**Operation Happiness** Kristi Ling, 2016-03-01 In *Operation Happiness*, happiness strategist and life coach Kristi Ling teaches you how to create immediate positive shifts in your life by proving that happiness is a skill that can be cultivated, learned, and mastered, much like playing an instrument. After experiencing multiple devastating events, Ling spent years studying the science of happiness and focused on identifying and testing specific emotional support tools. During this process, she discovered something that goes against everything we've been lead to believe about happiness: it isn't just something you feel; it's something you do. Based on this discovery, Ling narrowed down the road to happiness to three powerful steps: Change Your View, Change Your Mornings, and create new habits: the foundational principles for *Operation Happiness*. Part memoir and part how-to, *Operation Happiness* combines compelling personal stories, inspiring perspective shifts, and big a-ha moments with specific, how-to's and clear, actionable steps to help you create a solid foundation for sustainable happiness that will propel you into a new, light-filled way of living.
