Cyber Week Venmo Compare:

Party Life Eric Li, 2023-10-31 The emergence of China as a great power is perhaps the most consequential development for the world in the 21st century Yet what the Western world sees in this development is largely through the prism of misinterpreted ideological dichotomy and misguided geopolitical rivalry This book offers a deep look at the Chinese Communist Party and the nation it leads at conceptual historic and operational levels If Thomas Kuhn s concept of paradigm shift can be used in the social sciences then China would represent the most significant anomaly to the dominant liberal exemplar For students of China and of politics in general and for the Western political and commercial elites if they were to read one book about China to grasp the nature and weight of the Chinese phenomenon Party Life would be it
