Managing Online Risk Deborah Gonzalez, 2014-09-25 In recent years building a corporate online presence has become nonnegotiable for businesses as consumers expect to connect with them in as many ways as possible. There are benefits to companies that use online technology but there are risks as well. Managing Online Risk presents the tools and resources needed to better understand the security and reputational risks of online and digital activity and how to mitigate those risks to minimize potential losses. Managing Online Risk highlights security and risk management best practices that address concerns such as data collection and storage, liability, recruitment, employee communications, compliance violations, security of devices in contexts like mobile apps and cloud computing and more. Additionally this book offers a companion website that was developed in parallel with the book and includes the latest updates and resources for topics covered in the book. Explores the risks associated with online and digital activity and covers the latest technologies such as social media and mobile devices. Includes interviews with risk management experts and company executives, case studies, checklists and policy samples. A website with related content and updates including video is also available. Baseball Forecaster 2008 Ron

Shandler, 2007-12 Since 1986 Ron Shandler's Baseball Forecaster has been the industry's leading resource for creating fantasy baseball winners. With the most consistent track record of success, the Forecaster provides a wealth of tools that make it every owner's bible: stats, sabermetrics and projections, performance trends, ground breaking research results, pitching logs, bullpen charts, minor league scouting, team and league charts, injury analysis, fantasy draft guides and cheat sheets and much more.
