### **Save Baseball** Larry Hausner, 2024-01-29

Major League Baseball has been in crisis in recent years. Game attendance is down by millions and fan interest is in free fall. The future of the game is in jeopardy. While the League acknowledges the issues many are stumped as to how to address them. This book explores in detail the critical challenges facing MLB and their ramifications along with some potential solutions. Interviews with baseball insiders players to executives give a perspective on baseball's struggle to reinvent itself for future generations.

*The Sporting News*, 1986-10    **Video Production Handbook** Jim Owens, Gerald Millerson, 2012-11-12 Techniques matter. Great ideas don't automatically translate into great programs. It's not enough simply to show what is going on. The way you present your subject will influence how your audience responds. You need to choose your picture and sound carefully to convey your ideas in an interesting persuasive way. This book will show you how. **Video Production Handbook** shows the full production process from inception of idea to final distribution. The book focuses especially on why each step occurs as it does and provides guidance in choosing the simplest methods of creating the shots you want in your video project. Concentrating on the techniques and concepts behind the latest equipment this book demonstrates the fundamental principles needed to create good video content on any kind of budget. Suitable for students and beginning videographers the new edition of this classic text retains its clarity and directness but has been completely revised and updated. This practical sourcebook has been specially prepared to give you an at a glance guide to quality video program making on a modest budget. Emphasis throughout is on excellence with economy whether you are working alone or with a small multi camera group. The well tried techniques detailed here will steer you through the hazards of production helping you to avoid those frustrating time wasting problems and to create an effective video program. Highly visual more than 450 full color photos and illustrations demonstrate techniques. Modern Revised by Jim Owens who brings a wealth of hands on experience to the text up to date information on current equipment techniques and new distribution outlets such as the Web and mobile phones. A complete

resource Detailed teaching ancillaries are available for instructors including instructor s manual test bank sample syllabi image collection video content and more Brand new coverage of contemporary distribution methods Interviews featuring industry professionals provide students with inside knowledge of the industry Sidebars featuring new coverage of topics such as shooting for 3D shooting with HDSLRs for video and much more **Video Production Handbook** , *Mediaweek*
