insatiable hunger for revenues has led to an abuse filled game nearly indistinguishable from the professional model of the NFL After examining the standard solutions for reform he offers proposals of his own including greater involvement by faculty trustees and college presidents Ultimately however Watterson concludes that the history of college football is one in which the rules of the game have changed but those of human nature have not     **Athletic Scholarships** Conway Greene Publishing Company,1994     **The Independent** ,1899     **Independent and Weekly Review** ,1899     Official NCAA Football Records 2002 NCAA,2002     *Atkinson's Evening Post and Philadelphia Saturday News* ,1957-09     FDR and Reagan John W.
