

## 2 The Last Day of School

It was the last day of school and everyone was excited. The teacher, Mrs. Smith, had a surprise for the students. She was going to take them on a field trip! The students were so excited they could hardly sit still. They were singing and dancing around the classroom. Mrs. Smith told them to settle down so she could explain the field trip. Mrs. Smith said that they were going to the zoo. Everyone cheered and shouted with excitement. Mrs. Smith said that they would get to see all sorts of animals and even have a picnic lunch. When they arrived at the zoo, the students were amazed. They had so much to see and do. They saw elephants, tigers, giraffes, and monkeys. They got to feed some of the animals. After the zoo, they had a picnic lunch in the park. The students had a great time and were sad when it was time to go back to school. Mrs. Smith said she would miss them all and hoped they had a great summer. On the way back to school, the students were still excited. They talked about their favorite parts of the day and laughed about all the funny things they saw. When they got back to school, everyone said their goodbyes. They hugged Mrs. Smith and thanked her for a wonderful last day of school. It was a day they would never forget.
