Roblox Building Ideas:

Ideas Don't Die. Companies Do. Hari Abburi, 2025-07-04 Rethink ideas as the real value to the future of your business in a technology world where knowledge is increasingly a commodity. In Ideas Don't Die Companies Do, renowned voice on disruptive agility and executive Hari Abburi delivers an insightful framework for leaders to future proof their companies by creating an idea obsessed enterprise. In the book you'll learn why ideas are more important than customers to disrupt the industry and marketplace. The author explains how to distinguish between ideas that are truly original and those that require strategic execution to differentiate them from other choices on the market. He offers key insights into how to glean information from other companies who have worked with the idea and how to apply that knowledge to your firm's own idea. Inside the book, Explanations of the idea moat that creates exponential value at one company as opposed to another that uses similar ideas. Compelling answers to questions about idea timing and why ideas that failed a few years ago can be successful today. How to shift your company's focus from thinking customers to thinking ideas. Perfect for managers, executives, entrepreneurs, founders, and other business leaders. Ideas Don't Die Companies Do will also benefit product team leaders and other innovators with a desire to bring new and exciting ideas to the market.

The Routledge International Handbook of Children, Adolescents, and Media

Dafna Lemish, 2022-05-30 This second thoroughly updated edition of The Routledge International Handbook of Children, Adolescents, and Media analyzes a broad range of complementary areas of study, including children as media consumers, children as active participants in media making, and representations of children in the media. The roles that media play in the lives of children and adolescents, as well as their potential implications for their cognitive, emotional, social, and behavioral development, have attracted growing research attention in a variety of disciplines. This handbook presents a collection that spans a variety of disciplines, including developmental psychology, media studies, public health, education, feminist studies, and the sociology of childhood. Chapters provide a unique intellectual mapping of current knowledge, exploring the relationship between children and media in local, national, and global contexts. Divided into five parts, each with an introduction explaining the themes and topics covered, the Handbook features over 50 contributions from leading and upcoming academics from around the globe. The revised and new chapters consider vital questions by analyzing texts, audience, and institutions, including media and its effects on children's mental health, children and the internet, of toys, media, and digital inequalities, news, and citizenship in the aftermath of COVID-19. The Handbook's interdisciplinary approach and comprehensive current and international scope make it an authoritative state-of-the-art guide to the field of children's media studies. It will be indispensable for media scholars and professionals, policy makers, educators, and parents.
