

A vibrant, cartoon-style illustration depicting a confrontation in a lush jungle. In the center, a massive, dark grey gorilla with a metallic, cybernetic appearance stands with its mouth wide open, showing sharp white teeth. It has a single red glowing eye and a mechanical arm. To the left, a group of small, yellow-skinned human characters in blue vests and hats look on with expressions of surprise and concern. One human in the foreground has a shocked expression with wide green eyes. To the right, another human character with a blue headband and a determined look is visible. The background features dense green foliage, a blue sky with white clouds, and a distant mountain range.

AI, Personalization, Equity, and the Future of Learning Wang, Viktor, 2025-07-10. The integration of AI into education has redefined how learning is delivered and measured. There is great potential for AI to drive a more personalized learning experience while also tailoring instructions to a person's individual needs. While there are promises to enhance engagement and achievement, it also raises critical questions about equity and access. As we envision the future of learning, it is essential to explore how AI can be harnessed not only to support personalization but also to bridge educational gaps, ensuring that innovation benefits all learners regardless of background or circumstance. *AI Personalization, Equity, and the Future of Learning* explores the transformation of AI in education and its impacts on personalized and equitable learning. This book provides a critical lens on equity and access, encouraging the development of inclusive AI-driven solutions that benefit diverse learners worldwide. Covering topics such as academic research, speech recognition tools, and workforce readiness, this book is an excellent resource for researchers, educators, administrators, policymakers, instructional designers, academicians, and more.

Intelligent Communication Networks Rajarshi Mahapatra, Siddhartha Bhattacharyya, Avishek Nag, 2024-06-06.
