The author is Doug Bennett who was a head coach for the varsity Colts for nine years and participated in the ACYA program a total of 12 years from 1969-1980. His teams won six consecutive GYFC championships from 1972 to 1977 finishing second in 1978 and third in 1979. Using a combination of research from written historical material, actual game films and the author's memory as much detail as possible is written including the author's recollection of specific game circumstances, situations and plays with emphasis on individual player and team performances etc. There are chapters describing the program's and author's philosophies and strategies on Offense, Defense, Special Teams, Practice and Game Preparation providing written description and analysis of how these championship teams were built from the first day of practice through the end of a season as it was learned from the legendary Coach Bob Johnson. The ACYA program was not only a football program for the children; it was almost a society within the society of the Dunwoody area and surrounding neighborhoods in the northern suburbs of Atlanta, Georgia particularly in the decade of the 70s. It was run totally by adult volunteers whose dedication allowed the program to prosper and flourish from its inception in 1965. The ACYA program was the annual focal point in the lives of these families from the start of football tryouts in early August until the last bowl games in December for all of the years they were involved. Lifelong friendships were formed there among the children, football players and the adult parents and volunteers in those families. The program still serves the community today and many of the volunteers who have been involved in recent years are former players from the era discussed in this book.

The Education of Kendrick Perkins is an intimate memoir about race, fatherhood and basketball from former NBA player and outspoken cultural critic Kendrick Perkins. At age eighteen Kendrick Perkins left his grandparents' run-down yellow house in Beaumont, Texas for the last time. Sure he'd traveled the country for camps and tournaments. He'd banged and bruised with the biggest and most skilled players the amateur basketball world had to offer. But he'd always come back home. In this powerful and intimate memoir readers follow Perkins on his journey from small-town Texas athlete to the NBA. Both on and off the court, Perk gained a reputation for his candor and conviction, his unabiding sense of right and wrong. Now he tells all, offering the sports insights for which he has become a stellar ESPN commentator and for the first time ever sharing frank opinions about racial justice, political consciousness and fatherhood. Years spent playing against and alongside giants like Kobe Bryant and LeBron James helped shape Perk's athleticism, but this is a story all his own: the story of an education. Broadcasting & Cable, 2003-11.
