This is because jamu is a leading product that does not exist anywhere else in the world. Especially since the globalization period, people revert to the importance of indigenous knowledge on local ingredients. Therefore, owning jamu is an advantage that is inherent to Indonesia. In other words, jamu is a health care legacy for Indonesian. To preserve this legacy, we must be aware of the importance of drinking jamu as a habit. The habit of taking in medicinal jamu can be preserved if its ingredients can be planned, produced, and used properly so that information on its benefit and efficacy can be presented better.
