The Dance of Resilience Ember Reichgott Junge, 2026-01-13 In the same vein of Wendy Suzuki's *Healthy Brain Happy Life* and Peter Attia's *Outlive* this inspiring narrative weaves together personal narratives, interviews, and cutting edge science to explore the power of partner dance in transforming lives. Energetic, living, mental sharpness, social interaction, emotional well-being. Scientifically proven benefits for people living with depression, dementia, and Parkinson's disease. The Dance of Resilience reveals how these are just some of the many ways partner dance transforms lives. Through extraordinary stories of ordinary people across the human spectrum, woven with her own candid experiences, award-winning author and legislator Ember Reichgott Junge shows how partner dance sparks self-discovery, fosters a healthier lifestyle, and offers a powerful antidote to today's growing epidemic of loneliness. But Reichgott Junge goes even further, building a compelling case that dance should be recognized as an essential part of our insured and public health care systems. What if your doctor could prescribe twelve dance sessions covered by insurance to help ease anxiety or enhance cognitive function? Step into The Dance of Resilience and discover your hidden resilience as you enter an unexpected life of purpose and heartwarming possibility.
