age forty six he became the oldest pitcher to start a World Series game When Quinn finally retired in 1933 at fifty the Methuselah of the Mound owned numerous longevity records some of which he holds to this day Ehmke meanwhile battled arm trouble and poor health through much of his career Like Quinn he was dismissed by the experts and from many teams only to return and excel He overcame his physical problems by developing new pitches and pitching motions and capped his career with a stunning performance in Game One of the 1929 World Series against the Chicago Cubs which still ranks among baseball's most memorable games Connie Mack described it as his greatest day in baseball Comeback Pitchers is the inspirational story of these two great pitchers with intertwining careers who were repeatedly considered washed up and too old but kept defying the odds and thrilling fans long after most pitchers would have retired
