The DI Barton Crime Series Boxset 4-6 Ross Greenwood, 2024-01-10 Discover the chilling DI Barton series from bestseller Ross Greenwood A rich cast of characters and an explosive plot kept me turning the pages until the final dramatic twist Richard Burke This boxset contains books 4-6 in the DI Barton series from Ross Greenwood The Cold Killer The Fire Killer The Santa Killer The Cold Killer When a tired old inmate is found dead in his cell the prison is obligated to investigate and so DI Barton attends The men he interviews have been convicted of some of the worst things a human being can do but it appears likely that the death was due to natural causes When the house of the dead man is burgled and that crime is followed by a suspicious fire Barton desperately needs to speak to his widow but she's nowhere to be found In the space of twenty four hours everyone he wants to talk to has vanished Barton's investigation goes full circle through a series of brutal murders back to the prison and all signs are pointing to the fact that he's made a terrible mistake The Fire Killer When DI Barton is asked to investigate a seemingly innocuous fire that kills he believes it's either children fooling around or a worrying racially motivated crime As he delves deeper into the case he soon realises that there is a history of similar blazes spread out over many years all within a close area An idea suggested by pathologist Mortis makes Barton suspect he has the arsonist's motives wrong When a night worker comes forward with a tip Barton narrows down the suspects But with all of them acting suspiciously he knows for sure that one or more of them must be lying And when a huge house blaze shocks everyone Barton fears the killer has lost all control The Santa Killer One night less than two weeks before

Christmas a single mother is violently assaulted It s a brutal crime at the time of year when there should be goodwill to all When DI Barton begins his investigation he s surprised to find the victim is a woman with nothing to hide and no reason for anyone to hurt her A few days later the mother of the woman attacked rings the police station Her granddaughter has drawn a shocking picture It seems she was looking out of the window when her mother was attacked And when her grandmother asks the young girl who the person with the weapon is she whispers two words Bad Santa The rumours start spreading and none of the city s women feel safe which one of them will be next
