Beyond the Bling : Real Steps to Financial Success Donald Snider, 2009-05-27 Don Snider's book *Beyond the Bling* is a must read for anyone who is willing to take charge of his/her financial future. Don narrates his life as an entrepreneur while following closely the life of the Prophet Elijah at the Brook Cherith. His sole dependence on God's provisional nature is a refreshing view that should lead anyone to a renewed faith in God and the knowledge that he has an assigned place of blessing for us to experience and enjoy. Reimagining Social Justice Scholarship Tamara Shefer, Carmine Rustin, Floretta Boonzaier, 2025-09-25 Showcasing creative decolonial feminist and critical social justice scholarship located in a South African context, this book works across modalities and disciplines and within art and activism to challenge hegemonic and oppressive forms of gender and sexuality. In the wake of decolonial activism in higher education and civil society since 2015 and the larger struggle for equality and justice, Shefer, Rustin, Boonzaier, and their contributors draw primarily from the work of local research and pedagogical projects directed at alternative imaginaries of gender and sexual justice with global import. Increasingly, scholars are engaging in collaborative dialogical and creative work that foregrounds performance art, music, crafts, literature, as well as embodied affective and relational engagements in the making of knowledge. This book shares some of these diverse counter-hegemonic pedagogies and research approaches that bring an intersectional and decolonial feminist

lens to contemporary efforts to decolonise higher education and larger civil society Producing lines of thought and sharing praxis that destabilises disrupts and opens up new possibilities for justice scholarship the book provides a space for going beyond critical reflexivity in research and practice related to gender and sexual inequalities It seeks to make a scholarly intervention founded on rethinking its own grounds through collaborations with knowledges often deployed by those outside the authoritative expert domains of academia aligning it with feminist and decolonial aims This book is a valuable resource for students and scholars of gender sexuality and intersectionality particularly those with a focus on the global South
