Shit Adults Never Taught Us Natasha Sattler, 2021-04-16 A SNAPSHOT REVIEW OF THE THINGS YOU DIDN T LEARN IN SCHOOL IN QUICK HILARIOUS CHAPTERS Wouldn t it be awesome if life had a manual Not for your daily how tos like cooking or ironing but for when the real shit pops up The money shit we have no idea how to navigate like negotiating a raise or buying a car The relationship shit that slaps us in the face as we turn into full fledged adults like surviving a gut wrenching breakup and having the courage to fall in love The mind fucks that sneak into our brains after puberty like a ninja and set up camps of anxiety loneliness and regret The life shit that somehow was completely ignored throughout more than a decade of schooling like protecting your privacy online traveling on any budget and finding motivation when it seems impossible We ve made it this far but after countless conversations with friends it became obvious to me that our childhood education had a ton of gaps Sure we learned linear equations and got to dissect frogs for some reason but no one taught us what the difference between an HMO and a PPO was and why it s important I took several years of Algebra but not once was a Mutual Funds class offered That s where Sh t Adults Never Taught Us comes in This book picks up where the adults left off and helps fill in all our insufficient knowledge by going beyond the Google search bar Disguised as a self help book this mini memoir uses personal experiences including some epic failures to guide you through the most perplexing moments in life Shit Adults Never Taught Us covers a lot of topics including career strategies mental health emotional quandaries and navigating all of the WTF moments of adulthood *InfoWorld* ,2000-11-13 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects **Couponing for the Rest of Us** Kasey Knight Trenum, 2013-05-01 Not everyone is an extreme couponer Most of us just want to save some money not let clipping coupons and scouring the internet for deals take over our lives For all the savvy shoppers out there Kasey Knight Trenum has written Couponing for the Rest of Us She knows that money is tight food prices are going up gas prices are closing in on unbearable and people have better things to do than spend every spare minute if they have any obsessing over costs and coupons She also knows coupons just happen to be a tool that can save a family hundreds of dollars every month and ultimately improve a family s finances and its future Couponing for the Rest of Us shows readers where to find coupons for what your family eats how to make the internet do the work for you how to find sale cycles and store match ups and what those terms mean how to reinvent your shopping strategy and toss your lists how to make grocery shopping less stressful even fun how to turn money saved into money shared and much more If readers want to save money and time this book is a gold mine **The Design of Sites** van Duyne (Douglas K.), James A. Landay, Jason I. Hong, 2003 Creating a Web site is easy Creating a well crafted Web site that provides a winning experience for your audience and enhances your profitability is another matter It takes research skill experience and careful thought to build a site that maximizes retention and repeat visits *The Business of iPhone App Development* Dave

Wooldridge, Michael Schneider, 2010-08-26 The phenomenal success of the iPhone and the iPod touch has ushered in a gold rush for developers but with well over 100 000 apps in the highly competitive App Store it has become increasingly difficult for new apps to stand out in the crowd Achieving consumer awareness and sales longevity for your iPhone app requires a lot of organization and some strategic planning This book will show you how to incorporate marketing and business savvy into every aspect of the design and development process giving your app the best possible chance of succeeding in the App Store The Business of iPhone App Development was written by experienced developers with business backgrounds taking you step by step through cost effective marketing techniques that have proven successful for professional iPhone app creators perfect for independent developers on shoestring budgets Although there are a few iPhone app marketing books on the horizon they appear to tackle the subject from purely a marketer's perspective What makes this book unique is that it was written by developers for developers showing you not only what to do but also how to do it complete with time saving resources and ready to use code examples No prior business knowledge is required This is the book you wish you had read before you launched your first app The \$350 Billion Question United States.
