**Truly the Ultimate ROBLOX Guide** This guide starts with the basics and will teach you everything you need to know, including how to make an account and how to customize your avatar. The guide quickly moves into more advanced topics, such as how to earn Robux, reduce lag, make your own games, and even create paintings. So what is ROBLOX? ROBLOX is an online virtual playground and workshop where kids of all ages can safely interact, create, have fun, and learn. It's unique in that practically everything on ROBLOX is designed and constructed by members of the community. ROBLOX is designed for 8 to 18-year-olds, but it is open to people of all ages. Each player starts by choosing an avatar and giving it an identity. They can then explore ROBLOX, interacting with others by chatting, playing games, or collaborating on creative projects. Each player is also given their own piece of undeveloped real estate, along with a virtual toolbox with which to design and build anything. Be it a navigable skyscraper, a working helicopter, a giant pinball machine, a multiplayer Capture the Flag game, or some other yet-to-be-dreamed-up creation. There is no cost for this first plot of virtual land. By participating and by building cool stuff, ROBLOX members can earn specialty badges, as well as ROBLOX dollars (ROBUX). In turn, they can shop the online catalog to purchase avatar clothing and accessories, as well as premium building materials, interactive components, and working mechanisms.
