without experiencing more abuse Would his father be able to provide him the love and support he never found in Purvis Does Bobby take the damage from his childhood abuse along with him This novel deals both dramatically and spiritually with the following current hot topics The abortion issue childhood physical emotional and sexual abuse and prejudice including homophobia It illustrates how one generations abused become the next generations abusers It drives home the point that a persons RIGHT TO LIFE is far more than a mere right to birth showing that love compassion understanding and forgiveness are also basic human rights that deserve the same impassioned advocacy seen among current anti abortionists
