Digital Trademarks and Brands Rajeev Sachdev,2025-10-28 Trademark disputes are a consistent feature of the digital legal landscape

appearing in connection with a range of successive technologies and platforms This book presents a new adapted model for digital trademarks and trade practices providing recommendations for the Uniform Domain Name Dispute Resolution Policy UDRP and extending a like process to platform trademark policies and complaint procedures including e commerce marketplace search advertising social media mobile applications and Metaverse platforms The proposed model addresses and greatly reduces legal uncertainties and the harm caused by problems for digital trademarks in such key areas as the following use and place of use of marks bad faith and abuse confusion unfair acts trade practices or competition terms policies and disclaimers jurisdiction territory and justification The adapted model is informed by pertinent theories and concepts select aspects of EU and U S and other legal frameworks and existing policies Ultimately a uniform policy is

recommended for each of the five platform types in line with an adapted version of the UDRP based on recommendations through the model. It is applied in a way that provides a comprehensive workable solution fostering legal certainty. Actual text for the proposed adapted UDRP as well as the uniform policies recommended for each type of platform is provided with guidance for implementation. The book provides recommendations that can greatly enhance the resolution of trademark disputes of various kinds and on various platforms in a more certain, cost effective and timely manner. Given that the complex global environment of digital trademarks raises new issues not adequately addressed by legal frameworks this book will be of inestimable value to digital platforms, e-commerce, search advertising, social media, mobile app, Metaverse, etc., website operators, platform and website lawyers, various stakeholders in the UDRP, arbitrators, panellists, online dispute resolution providers, libraries, academics and researchers. It will also be useful to digital businesses, domain name holders, sellers, listers, advertisers, content providers, digital consumers, trademark holders, digital trademark users and others.

Fashion Marketing
Laura Costin, Liz Barnes, 2025-07-04

This book offers a comprehensive overview of key topics, debates and issues in the field of fashion marketing. The purpose of fashion marketing is to understand the needs of consumers and to orientate both strategic and operational activities to satisfy those needs. In recent times, fashion marketing has faced an era of fast-paced change characterised by the rise of fashion influencers, the impact of technology and the complexity of consumer needs which has never been so great. As such, there is a need to examine the concept of fashion marketing in this contemporary setting. Featuring a range of contributions from international experts in the field, the book is split into sections broadly covering fashion marketing as a concept, internationalization, digital fashion marketing and contemporary thinking. In doing so, it covers topics such as fashion, social media, luxury fashion, marketing, fashion marketing and the pandemic, sustainability, AI and omnichannel fashion retail. A definitive resource for students, researchers and practitioners, this book offers a truly contemporary lens that pushes the boundaries of current and future thinking.
