Methodical Deception:

Methodical Deception Rebekah Roth,2015-08-28 The sequel to Methodical Illusion joins the reader once again with senior flight attendant Vera Hanson and Jim Bowman as they uncover more of the deception that was 9 11 **Essence of 9/11, 3rd Edition** Anab Whitehouse,2018-11-06 This is a work which provides an excellent summary of the essential themes issues facts and questions concerning the tragic events of 9 11 This book engages the events surrounding 9 11 from a very different perspective namely that of a member of a hypothetical grand jury which is faced with the task of critically examining the available evidence concerning all manner of 9 11 related topics in order to determine whether or not a further public inquiry into 9 11 is appropriate and necessary Many questions are raised in this book The only certain answer arising out of the pages of this work is that after careful review the available evidence indicates the government s official version of 9 11 is not tenable in either principle or detail

Framing 9/11, 3rd Edition Anab Whitehouse,2018-11-06 One of the readers of the first edition of this book considered it to be the best work that has been written on the subject of 9 11 The 3rd edition seeks to make a very good book even better Framing 9 11 3rd Edition contains all of the material that was present in the first two editions This includes critical discussions on The collapse of Building 7 the no planes issue controlled demolition the work of Dr Judy Wood commentary on the views of Bill Maher and Matt Taibi concerning 9 11 Conspiracy and other C words as well as a series of Did You Know features The current updated edition of Framing 9 11 involves more than 150 pages of new material and much of this is contained in chapter of this book entitled Unscientific America 9 11 Sam Harris and Noam Chomsky The penultimate chapter of this book also contains new material It consists of an overview of and introduction to the work of Rebekah Roth which is given expression in her Methodical trilogy as well as through a variety of interviews The final chapter of the 3rd Edition gives expression to an exploration of The 9 11 Delusion and Its Consequences This discussion will critically examine the etiology of our current dilemma and provide an outline concerning how the very first step taken toward the pathology in which we are mired today began when Americans both leaders and ordinary citizens ceded their moral and intellectual agency to something other than the truth and in the process became vulnerable to the 9 11 delusion By becoming entangled in that delusion all too many people were prepared to commit crimes against peace i e unprovoked aggression against other people and nations which in turn led to war crimes and crimes against humanity However our nightmare began when people both leaders and ordinary citizens denied themselves and others the opportunity a to establish the truth about among other things 9 11 and b to use that truth to work to create conditions that are conducive to the realization of inalienable sovereignty for everyone
