**Meanwhile, in Russia...** Eliot Borenstein, 2022-01-27 The first in depth exploration of Russian viral media culture its history and legacy    **Meme Selling** Malik Jordan, 2020-03-28 My name is Malik Jordan I am the author of this book and this will probably be the most honest book introduction description that you have ever read Meme Selling How To Earn More Than 100 Making Memes in 5 Simple Steps Censored is quite frankly nothing but a short book showing people how to go from a beginner level meme creator to a professional meme creator that earns money making memes for people online Most authors overpromise and under deliver when they write their book introduction That is not what I am about to do In this introduction I will tell you how to earn more than 100 making memes in 5 simple steps My advice will be practical and straight to the point Let's Be Honest Book introductions are basically a form of marketing to get people to buy the book In this book introduction I am going to be very transparent with you I'll be so transparent with you that you may lose interest in this book and choose not to buy it and that is fine with me Did I write this introduction to market it to you and to get book sales The answer is yes but I do not want just anyone to buy this book I want this book to be bought by people who are serious about earning money from making great memes This Book Is Cheap For just the low price of 2.99 you can learn how to earn more than 100 making memes in 5 simple steps According to CollegeBoard.com the national average for college textbooks is 1.137 per year You purchasing this book will be an inexpensive investment in your future and if you practice the 5 SIMPLE steps in this book it will pay for itself 3 Reasons Why This Book Is So Cheap The first reason why this book is so cheap is because most people who would be interested in a book like this are millennials Millennials are the poorest generation so far That's why I made this book cheap when I self published it The second reason this book is so cheap is because it is SUPER short Usually when you hear advice that is straight to the point it is short The truth is usually short straight to the point and simple just like this book The third reason why this book is so cheap is because it didn't take a lot of money to write and self publish this book in the first place I don't owe a book publishing company money so I'm not about to charge you over 20 for a book like this What You Are Being Sold Let's address the elephant in the room I'm not selling you the perfect book because the perfect book doesn't exist no matter how much work I put into it or hire someone else to put into it I'm selling you a book with practical easy to understand steps on how to earn more than 100 making memes Also this book contains proof that I was able to earn more than 100 making memes just so that you know that all of this is indeed possible to do QUICK DISCLAIMER Before I get into the 5 steps that will be taught to you I want to let you know a few things This is not a scam No the steps will not be easy but they are not hard either The 5 steps are SIMPLE If you aren't satisfied you can get your money back Usually when people do research on how to create an extra stream of income they come across things like affiliate marketing and making YouTube videos This book is most likely the first book to ever teach people how to turn their passion for memes into an additional stream of income Can I Earn More Than 100 Making Memes I know what you

re probably thinking and the answer is yes You can earn more than 100 making memes I have done it before There is no limit to how much money you can earn making memes What this book focuses on the most is teaching you and everyone else who buys this book how to earn their FIRST 100 dollars making memes As long as you have a talent for making memes and self efficacy you will be able to earn more than 100 making memes QUICK SUMMARY STEP ONE MAKE GREAT MEMES STEP TWO BUILD CREDIBILITY THROUGH CONTENT MARKETING STEP THREE EARN MORE THAN 100 BY STARTING A BUSINESS STEP FOUR COLLECT YOUR REVENUE AND GET PAID STEP FIVE TAKE EVERYTHING YOU HAVE LEARNED AND TURN IT INTO A BOOK THAT YOU CAN SELF PUBLISH ON AMAZON COM ACT NOW Do you or do you not want to know how to earn more than 100 making memes Are you already experienced in creating funny memes regularly for free and would like to know how to earn money doing it If you answered yes to these 2 questions above then do yourself a huge favor and buy this inexpensive book This book can be yours today for just 2 99 You can t find a brand new college textbook being sold for 2 99 but you can own this one for 2 99 right now If you want 5 practical pieces of advice that will help you create an extra stream of income making memes this is the book you need to be buying right now Most authors would charge 2 to 3 times more than 2 99 This book is practically a steal Act now Buy Meme Selling How To Earn More Than 100 Making Memes in 5 Simple Steps Censored for 2 99 today CALL TO ACTION If this is something you are interested in because you think it will help you out then you should buy Meme Selling How To Earn More Than 100 Making Memes in 5 Simple Steps Censored today risk free If you re not satisfied with this book within the first 7 days then you can get your money back guaranteed no questions asked Begin your journey on discovering new possibilities with Meme Selling How To Earn More Than 100 Making Memes in 5 Simple Steps Censored today Act fast because the price of this book will not be this low forever AMAZON REWARDS REVIEWERS Did you know Amazon com rewards people for reviewing products they purchase There have been stories about Amazon randomly giving gift cards to people just because they were kind enough to leave an honest review That s free money So with that being said would you mind leaving this book a review on Amazon Thank you so much BONUS If you make it to the end of this book you will be able to get a special sneak peak at Malik Jordan s next book that will be sure to add value to your life Download your copy today TAKE ACTION If this is something you are interested in because you think it will help you out then you should buy Meme Selling How To Earn More Than 100 Making Memes in 5 Simple Steps Censored today risk free If you re not satisfied within the first 7 days then you can get your money back guaranteed no questions asked Begin your journey on discovering new possibilities with Meme Selling How To Earn More Than 100 Making Memes in 5 Simple Steps Censored today Act fast because the price will not be this low forever Download your copy today Tags memes money online business malik jordan comedy cotter media selling sales income how to steps simple tutorial
