**YouTube Master** Joseph Greene, 2022-10-25 YouTube Master Are you new into YouTubing and wish to increase your youtube views and subscribers I understand how it feels to be in that state that s why I compiled this book to guide you through Newcomers like TikTok are having a big impact on social media right now but one video sharing platform still reigns supreme Youtube With over 2 1 billion users worldwide it is the second most visited website on the internet If you want to maximize the platform s potential you must learn how to promote your channel High Ranking Keywords A great YouTube channel begins with excellent SEO And great SEO begins with knowing what users are looking for People do not only look for videos on YouTube they also use Google In addition for many searches Google now prioritizes video over other content There is no hard and fast rule for determining which keywords will help your YouTube video rank well However a little reverse engineering can go a long way Here s how to find a video friendly keyword on Google Identify possible keywords with a tool like the Google Ads Keyword Planner Google one of your options Analyze the Search Engine Results Page SERP for each keyword Are the top ranking results videos or written content Tweak your keyword and try again Try adding words like How to or Tutorial if you re having trouble finding keywords with video results Choose a keyword that prioritizes video and suits your content For example Photoshop Tutorial shows video results first while Photoshop Tips first directs Google users to a web page Custom Thumbnails Thumbnails are important perhaps even more so than titles This is due to the fact that our brains are hardwired to notice visuals first According to one MIT study we process them in less than 13 milliseconds YouTube generates thumbnails for all videos automatically but they can be blurry or out of focus Create an eye catching custom thumbnail for each video you post to increase views Your Profile Details Many YouTubers skip the profile section entirely and instead focus on content creation A compelling profile on the other hand is one of the simplest ways to promote your YouTube channel and boost your SEO

Here are some best practices for developing a successful YouTube profile Be consistent Use a similar color palette writing style and layout as you do on your website and other social channels Optimize your YouTube channel description This is a great place to add keywords YouTube penalizes Tag Stuffing but including a couple of keywords can go a long way This YouTube book also covers How to create a high quality video How to edit your video before publishing Promotional tips for your video How to increase the number of your video views And many more If you just started out on youtube or knows someone who does this book is for you to enhance your knowledge of channel visibility and quality video production
