Excerpt from The Official National Collegiate Athletic Association Football Guide: The Official Rules Book and Record Book of College Football. Underneath the canvas jackets, any woolen under wear can be put on most players wearing knit jerseys. As mentioned above, there are two or three players who can to advantage go without the regulation canvas jacket and wear a jersey in its place. These are first the quarter back and sometimes the centre rush or snap back and finally the full back if he be a kicking full back only that is one who does not attempt to do any running. The team of eleven men is usually divided into seven rushers or forwards who stand in a line facing their seven opponents a quarter back who stands just behind this line two half backs a few yards behind the quarter back and finally a full back or goal tend who stands a dozen yards or so behind the half backs. This gives the general formation but is of course dependent upon the plays to be executed.
