*Venmo an Easy Guide for Beginners* Scott Casterson,2016-03-09 With cash becoming a thing of the past many companies are trying to appease such a new age phenomenon These apps allow you to enjoy a night

out with dinner and a show with friends without having a dime in your pocket Venmo is one such app It is a digital wallet that gives users the opportunity to send money from your bank account for free to either pay bills or repay a friend by sending money back to their Venmo account It came about in March 2009 as a system through which funds could be paid through text messages and is said to be safe for users but has since been refined and is now very popular among the social class

*The No-BS Guide To DIY Powerwalls* Kelly Hohnholz, 2020-12-25 The Guide to DIY Powerwalls was the first of a 3 part series I started in May of 2020 during the height of the Pandemic that focused solely on creating a robust and extremely powerful power storage system similar to the Tesla Powerwall but on a shoestring budget One of the requirements would be its easy integration into other off grid technologies The search led me to discovering how to repurpose large and relatively inexpensive batteries from wrecked Electric Vehicles EVs This book consists of 113 pages broken down into seven chapters which are Safety Planning Teardown Preparation Deployment and the P3 Portable Power Pack Builds The guide walks you through determining your energy usage and needs storage amounts locating suitable batteries at the best price and converting them into a usable battery bank This guide illustrates the conversion of a Ford C Max battery module but the principals apply to almost any EV battery out there Although a seemingly daunting task this book makes it easy with plenty of pictures careful explanations and a sprinkling of humor This book will be useful to everyone from the novice to the expert alike
