Internal Revenue Bulletin United States. Internal Revenue Service,1993 [Return of the Junta](#) Oliver

Slow,2023-02-23 On the first day of February 2021 Myanmar's military grabbed power in a coup d'etat ending a decade of reforms that were supposed to break the shackles of military rule in Myanmar. Protests across the country were met with a brutal crackdown that shocked the world but were a familiar response from an institution that has ruled the country with violence and terror for decades. *Return of the Junta* is a detailed account of the ways that Myanmar's military, the Tatmadaw, has maintained control over its people despite a decade of supposed reform. In this detailed account, drawing on first-hand accounts from activists, journalists, and politicians, Oliver Slow explores the measures the military has used to keep hold of power and the motivations of those now rising up against its rule. The book asks the question: what needs to be done to remove the military from power in Myanmar once and for all?

Burma Surgeon Returns Gordon Stilwell Seagrave,1946
Recent years have offered no more human story than Dr Seagrave's *Burma Surgeon*, the account of his medical mission in the jungle wilds and his experiences in the battle of Burma. Now in this new book he tells what happened to himself and his hospital unit after the retreat with Stilwell. Safe at last in India, survivors of an epic struggle bereft of home and family, the doctor and his nurses felt that it was the end of all their hard work and dreams but they had only one thought to help drive the Japs out of Burma and some day to see again their home in Namkham. Throughout his experience, Dr Seagrave writes of the medical problems and achievements of his unit in his own entertaining and heartfelt style and as the unit shares in the liberation of Burma he discusses the future of medicine and missions sanely, humorously and with a strong love for Burma and its people.
