*From Idea to App* Shawn Welch, 2011-03-17

There may be an app for that but every app starts as an idea. Ideas can come from anyone: designers or developers, marketing managers or CEOs, and this book is about bringing those ideas to life. iOS is a remarkable platform both from a technology standpoint and as a pure business opportunity. With over 10 billion apps downloaded through the iTunes App Store and over 50 million new iOS devices expected to ship in 2011, no other platform puts big business and individual developers on a level playing field like iOS does. Needless to say, if you have an idea for an app now is the time to make it happen. Whether you're a designer or a developer, this book will help you:

- Create basic user interface elements
- Understand navigation metaphors and practices
- Design for multiple devices
- Customize system UI elements
- Incorporate system provided and custom animations
- Use touch and motion based gestures
- Create UIViews and UIViewController's using Core Graphics
- Avoid rejection by the iTunes App Store

**Care** Brooke McAlary,2021-06-16 From the internationally bestselling author of SLOW comes a new call to arms for a new approach to living well for everyone Tiny acts of care are everywhere A smile passed between strangers A moment spent noticing the light through the leaves A homemade meal shared with friends A parent chasing their child around the park smiles spread on their faces But when the world we live in is overwhelmingly a world of disconnection pain and division it makes sense to ask whether these acts of care beautiful moments of delight connection and kindness that they are really matter at all Brooke McAlary believes they matter In fact she believes they might be some of the most important actions we will ever take Now more than ever we re burnt out heartsick and overwhelmed by a world full of problems that seem too big to fix The solution doesn t lie in caring less and switching off Nor does it lie in caring more and throwing ourselves into further burnout The radical solution is to learn how to care small Tiny

even Care The radical art of taking time explores what it means to care in small powerful ways for ourselves our loved ones and our communities and reveals that caring doesn t need to cost us our wellbeing happiness or connection to the world That making simple changes to how we live spending more time in nature putting down our devices and connecting with each other face to face finding awe and wonder in the world around us and remembering how to play will have ripple effects that reach far beyond our own corner of the planet With unwavering compassion and understanding Brooke McAlary takes us on a journey to rediscover the small pleasures that create large ripples reminding us that no one needs to shoulder the burden of doing it all by themselves we only need to cast our eyes forward and start small with care *How to Do Everything*
