*Hockey Fight in Canada* David Shoalts, 2018-09-29 In late 2013 Canadians were intrigued to learn the NHL chose Rogers as its exclusive national broadcaster over both CBC and Rogers's bitter rival Bell Canada The decision was met with equal parts fascination shock and anger When CBC rank and file employees came to believe their leaders missed a chance to hold on to at least a part of Hockey Night in Canada a move that could have saved some of their jobs their disappointment turned to outrage This is also a story of great irony as the win proved to be costly for the victor in the first years When Rogers sealed the 5.2 billion twelve year deal it looked like the audacious play might just pay off The Toronto Maple Leafs with the biggest fan base in the country appeared ready to shake off years of mediocrity and become playoff contenders drawing legions of fans to Rogers's broadcasts in the process In anticipation Rogers gave Hockey Night in Canada a facelift bringing in hip George Stroumboulopoulos to replace veteran host Ron MacLean However in January 2014 the Maple Leafs crashed hard and so did the ratings for Hockey Night in Canada It was crushing news for Rogers with cable cutting already shaping into an existential threat On top of everything Strombo bombed as host and the network had to bring MacLean back Then things got even worse by the middle of the 2015-16 season the rest of the seven Canadian NHL teams missed the playoffs and ratings fell further chasing away even more advertising dollars Simultaneously viewing habits were changing so quickly no one could predict what would happen next year let alone in the next decade Shoalts covers this story from the beginning and *Hockey Fight in Canada* details every fascinating play in this intersection of sports and business *The Publishers Weekly*, 2009

the Pittsburgh Penguins we knew he was bright photogenic personable and a media darling The only question that remained was whether he could handle the big time From an international advertising deal with Reebok to a season of personal triumphs and gut wrenching challenges with a little argument from Don Cherry along the way Sid the Kid has proven that he is the man In the tradition of A Season on the Brink and Peter Gzowski's The Game of Our Lives Shawna Richer has had the exclusive assignment of chronicling Sidney Crosby's incredible rookie season Beginning with the NHL entry draft that almost never was Richer follows Crosby to Pittsburgh where he is greeted as the team's saviour and moves in with living legend Mario Lemieux Just eighteen the league's youngest player makes the leap to the NHL look easy and is named its best rookie in his first month while performing under great expectations and intense scrutiny He quickly becomes his team's leading scorer and best player there are triumphant openings in New York Toronto and Montreal But like Gretzky and Lemieux the young superstars who came before him his first NHL season provides immense challenges The Penguins struggle to win games and fire their coach early on all with the threat that the team may be sold and leave Pittsburgh hanging over their heads Through it all Crosby rises to each challenge His story is destined to become a classic With less than a minute left to play and the game appearing to be headed to a shootout Crosby vaulted over the bench for his final shift At the same time across the rink in the corner near the Penguins net Ryan Malone pulled the puck onto his stick The rangy sophomore forward looked around for an open man nearby but then he spied Crosby near centre ice just starting to head across the zone The rookie was wide open and all alone Malone fired a long lead pass to his teammate straight up the middle of the rink Just over the centre line Crosby pulled the puck in and charged into the Flyers zone all the anger from earlier contained entirely on the blade of his stick The only thing between him and Niittymaki was less than ninety feet of well worn ice The Finnish goaltender shimmied out of his crease in an attempt to cut down the view of the net but Crosby was churning so hard and so fast he quickly backed up Sidney spotted an opening on Niittymaki's stick side and in an instant he shot and scored He raised his arms and shouted He circled back toward centre ice all broken teeth and fat lip and unbridled rage and joy and sweet revenge in one package The crowd roared its displeasure From The Rookie From the Hardcover edition *NHL Hockey*, 1990-01-01 *The Greatest, Weirdest, Most Amazing NHL Debuts of All Time* Andrew Podnieks, 2019-10-08 Hit the ice in the NHL for the first time with over 300 hockey stars From Hall of Famers to lesser known players every one of the more than 7 700 NHLers skated in a first game Many of these debuts are noteworthy because of a record that is plain amazing Al Hill's five points a record most dubious David Koci's 42 penalty minutes or an achievement never likely to be replicated Larry Hillman gets his name on the Stanley Cup after just one shift Prolific sports writer Andrew Podnieks's comprehensive new book features more than 300 spectacular debuts from 1917 to 2019 and hones in on great achievements and amazing exploits culled from each player's first night of NHL stardom **One Night Only** Reid, Ken, 2016-10-11 Get to know the men who fulfilled their childhood dream From the beer league to the minor league hockey players from coast to coast often

say they'd give anything to play just one game in the NHL. One Night Only brings you the stories of 39 men who lived the dream only to see it fade away almost as quickly as it arrived. Ken Reid talks to players who had one game and one game only in the National Hockey League, including the most famous single game of them all, the coach himself Don Cherry. Was it a dream come true or was it heartbreak? What did they learn from their hockey journey and how does it define them today? From the satisfied to the bitter, Ken Reid unearths the stories from hockey's equivalent to one-hit wonders.
