EBOOK: Principles and Practice of Marketing, 9e David Jobber, Fiona Ellis-Chadwick, 2019-08-01 EBOOK Principles and Practice of Marketing 9e *Strategic Retail Management and Brand Management* Doris Berger-Grabner, 2021-10-25

The retail industry and associated business models have gone through a significant phase of disruption. The rapid emergence of new technologies, digital business models and the evolution of social media platforms as a new sales channel continue to influence the sector. Key contextual or external trends will affect and shape the retail landscape in the years to come. Therefore it seems important to prepare for this situation and be ready with a head start in terms of knowledge. This textbook provides its readers basic knowledge about the national and international retail sector and gives important insights into trends and developments. It deals with key trends in particular new patterns of personal consumption, evolving geopolitical dynamics, technological advancements and structural industry shifts. Moreover it explains why it is so important that retailers use these trends, adapt their retail strategies and tactics, create strong brands and come up with innovative new ways of doing business. Today we are living in a challenging time for retail. This textbook tries to give insights and explanations to better understand these challenges and provide managerial implications.

Social Media Christian Fuchs, 2024-11-01

You will never look at social media the same way again. Social media are an integral part of contemporary society. From news, warfare, politics, advertising, consumption, entertainment, friendships, labour and economy to friendships, leisure, language and everyday life, they have changed the way we communicate, use information and understand the world. Social media shape and are shaped by contemporary society. In order to understand contemporary society we have to ask critical questions about social media. This book is the ultimate guide for digging deeper into issues of ownership, power, class and justice. This book equips you with a critical understanding of the complexities and contradictions at the heart of social media's relationship with society. The Fourth Edition contains new chapters and has updated and revised versions of other chapters. The book includes a new chapter on TikTok in the context of global capitalism and the geopolitical conflict between China and the USA. It explores new topics such as information and social media warfare in the context of Russia's invasion of Ukraine, the implications of Elon Musk's acquisition of Twitter for democracy and the public sphere, the prospects of Twitter alternative Mastodon, digital fascism, influencers and the attention economy on TikTok, digital capitalism, the role of big data in digital capitalism, The Public Service Media and Public Service Internet Manifesto, social media's digital alienation and Putinism and information warfare. It explores populism, racism, nationalism, militant patriarchy in a chapter on right wing authoritarianism on social media that includes two case studies of Donald Trump and Putinism. It analyses the phenomenon of social media influencers in the age of TikTok, Instagram, YouTube and Snapchat. It explains in an updated chapter what digital capitalism is and what role big data plays in it. It explores the growing prominence of platforms and platform capitalism. It analyses fake news, misinformation and surveillance capitalism in the context of Facebook, WhatsApp, Cambridge Analytica and the Internet.

Research Agency It shows why Google is simultaneously the Internet s God and Satan It discusses digital democracy and the digital public sphere in the context of Twitter It challenges you to envision and achieve a truly social media that serves the purposes of a just and fair world It introduces platform co operatives and the Public Service Internet There are winners and losers in the age of digital capitalism This book is an essential guide for anyone who wants to critically understand how we got to digital capitalism and capitalist social media what we can do about it and what a democratic public sphere looks like
