Ticket Scalping Kerry Segrave, 2006-11-15 Ticket scalping is as much an American staple as apple pie Beginning as early as the mid 1800s scalpers known as sidewalk men were charging all the traffic would bear for event tickets Although these speculators were generally viewed as pariahs and public opinion was against the practice legal attempts to limit their activities were far from successful Boston enacted laws as early as 1873 while Pennsylvania followed suit in 1884 Still such measures did little good since some laws were declared unconstitutional and for the ones that were upheld the fines were negligible with jail time rarely served Over the years as moral objections to scalping dimmed the public became more tolerant as the practice became increasingly prevalent By the 1990s the capitalist mantras of free market and economic principles of supply and demand were even being used to justify the practice This volume details the ways in which scalping has changed over the years from a one man business to an agency controlled enterprise from performances by Jenny Lind to Billy Joel The book examines the general situation public opinion and legal perception of scalping for four distinct periods 1850 1899 1900 1917 1918 1949 and 1950 2005 Emphasis is placed on the ways in which public and legal perception of the practice has evolved over this period Scalping slowly gaining a more positive status has become more accepted as part of the economic practice of free markets *New York AA.VV., 2022-09-13 T00:00:00+02:00* New York is the most varied and lively city in the world This guide explores the transformation of Manhattan into an innovative district with ecologically sustainable buildings ventures into the soul food restaurants of Harlem where celebrities from the worlds of music and entertainment dine investigates the trendy Tribeca district known for its refurbished industrial buildings now residential lofts admires the bohemian chic style of Chelsea and visits magnificent museums from the Metropolitan to MOMA Guggenheim and the Natural History Museum Itineraries on foot with maps and descriptions of the sites and sights through the cast iron buildings of SoHo in Greenwich Village through the parks of the Upper West Side and Brooklyn Heights Excursions along unusual itineraries to discover West Point the historical residence of the Hudson River Valley and the vineyards of Long Island The suggestions come from expert connoisseurs of New York and include destinations you absolutely must visit **Harper's Weekly** John Bonner, George William Curtis, Henry Mills Alden, Samuel Stillman Conant, Montgomery Schuyler, John Foord, Richard Harding Davis, Carl Schurz, Henry Loomis Nelson, John Kendrick Bangs, George Brinton McClellan Harvey, Norman Hapgood, 1866 **The Independent** , 1879 *New York City Michelin*, 2006-03 **New York** , 1972-11-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *New York Amusement Gazette* , 1892 *New York School Journal* , 1899 **Music Trade Review** , 1879 *New York's Great*
